WEBB ANNUAL REUNION

The fourth annual reunion of the descendants of the late William Webb was held Saturday, June 11th, 1927, at Mountain Drive Park, Hamilton, Ont. The day and the grounds were both ideal. Dinner was served at noon, after which was the election of officers, the old ones being re-elected, and it was unanimously decided to hold the gathering at the same place. The afternoon was then spent by the older people in visiting and recalling bygone days, and the younger ones in soft ball and other amusements. There were 125 present, coming from Port Dover, Jarvis, Hagersville, Caledonia, Georgetown, Hamilton, Guelph, St. Catharines and Dunnville.

TO UNITED EMPIRE LOYALISTS

The United Empire Loyalists' Association of Canada at a recent meeting passed a resolution requesting all United Empire Loyalists throughout Canada and elsewhere to assist in the celebration of the Sixtieth Anniversary of the Dominion of Canada in their respective communities. Celebrations commemorating great historic events not only make it easy to acquire knowledge of history but they also stimulate patriotic sentiment among the native born and the immigrant. "Ducit Amor Patriam" (For Love of Country) is the motto of the United Empire Loyalists' Association, and it contains a sentiment that will find a response in the heart of every true Canadian.

Program Announced For Four Big Days at Pt. Dover

Committees Have Made Progress and Present A Fine Program—Citizens Are Asked To See That Boulevards Are Neat and Houses Decorated With Flags, Etc. All Owners Of Autos Are Asked To Decorate Cars. Everyone To Assist In Order To Ensure Success of Big Undertaking.

Plans are about all set for the big four-day celebration to be held in Port Dover on July 1st, 2nd, 3rd and 4th and the only things that are still to be arranged are (1) the raising of the necessary wherewithal to help pay for the entertainment provided and (2) the cleaning-up of the boulevards and cutting weeds, plus the decorating of the houses with lots of flags, etc.

The raising of the necessary funds is a big problem—bigger than has ever confronted the local committee in connection with any past celebration, but it is hoped that the entire four-day event will be more or less self-supporting. An entrance fee is to be charged to see the out-standing features on the fine program that has been arranged and given support there should be no trouble in raising funds. The subscription list will soon be started on its rounds by the finance committee, and the storekeepers and places of business will be visited without any exception. The Norfolk County Council has guaranteed one-third of any deficit that may accrue up to \$500.00 but the village council felt that a 4 1/2 mill tax rate was high enough without taking on any guarantees as to County celebration deficits. One member of the Finance committee feels that there are a lot of citizens in the Port who would like to help in this work and it is for their benefit that we mention that subscriptions of any amount—large or small—will be gladly received at either of the Banks, or by W. Earl Thompson or S. L. Butler, and they will be duly acknowledged. And to the army of readers of the Maple Leaf who reside out-of-town, we appeal for help to enable us to put on a celebration worthy of the town and county of which we form so important a part. We want to greet you here on one of the four big days at least and, of course, would be delighted to have you with us for the entire four days. There's lots to see and plenty to do, and many of your old friends will be here to review happy memories of bygone days with you. And you will get a warm greeting from everyone, and perhaps more particularly from your friend, Mr. William Henry Smith, who is looking forward to a big time with his Old Boys on this occasion. And so should any old boys and girls feel that they would like to help, your contribution to one of the gentlemen named will be thankfully received.

(2) The reeve, council, the celebration committee and all connected in any way with Norfolk County's celebration whole-heartedly into the work to put it over big. There will be a lot of work to be carried out prior to the big opening day, and the committee in charge of this part of the program hope that everybody will respond when called upon to assist. And we want Port Dover to look at its best for the occasion. We are almost sure to see a record crowd, and the progressiveness of the lakeside town will be judged by its general appearance. Citizens are asked to see that the boulevards are neat and trim in front of their residences and we want to show our American cousins that we are not ashamed of our flag; also that as our guests we will also have plenty of their flags flying alongside our own, especially on American Day, July 4th.

Lights will be provided at the school grounds, and this work is now being carried out by Steele & Son. Seating arrangements to accommodate over 1000 people has been arranged for and everything should go off with a swing. Further particulars will be given next week. The program, as at present arranged, and subject only to minor changes, is as follows:

NOTICE TO BUFFALO VISITORS ON INTERNATIONAL DAY

For the benefit of those members friends who are planning to attend the International Day service at West Avenue church, Buffalo, N. Y., the following suggestions were received from Rev. W. T. Brown:

The service at West Avenue church will be held at 12 noon (that is 11 a.m. Eastern Standard Time). All cars must keep together, cross at the Peace bridge, and bear on their windshield a sign JARVIS, ONT. This is necessary for customs identification, and in order to facilitate quick clearance at border. All drivers will carry their permits.

The party will be met by a representative of the West Avenue church Reception Committee at the Peace bridge and will be conducted to the parking place, from which a procession will be formed to the church.

Following service, luncheon will be served in the Sunday School, at which it is hoped that Dr. C. H. Stewart, minister of the North Presbyterian church, one of Buffalo's largest churches, will be present and speak.

Following luncheon, if time permits, there will be an hour tour of the parks and city of Buffalo.

Visitors are also asked to pin on their coats and dresses a slip with their name. This will serve as an introduction and will dispense with a lot of formality.
