## MASONS OF JARVIS AND DISTRICT ATTEND CHURCH

Despite the inclement weather of Sunday last, a very large and representative body of Masons belonging to King Solomon Lodge, Jarvis; Hiram Lodge, Hagersville, and Norfolk Lodge, Simcoe, gathered at the lodge room and marched to Knox Church for the purpose of attending divine service and at the same time bidding farewell to Bro. (Rev.) W. T. Brown. Bro. Brown expressed the thanks of the officials of the church and his own personal gratitude to the brethren for the splendid turnout. Speaking on Ecclesiastes 12th Chapter, he explained the meaning that underlies the poetic imagery of the verses, and urged on all present the duty of remembering their Creator while life was full of zest and sunshine. As Sunday the 27th instant will be the last Sunday of Rev. W. T. Brown's pastorate, the sermon both morning and evening will be in the nature of a farewell. A cordial invitation is therefore given to all to be present at either of these two services.

### ADDRESS AND PRESENTATION BY CLUB TO REV. W. T. BROWN

The Erie Community Club held their final meeting for the season on Tuesday, March 22nd, when a very large number of the members gathered in the Stone Church.

A splendid program of songs, readings and instrumental music was given. Rev. W. T. Brown, the Hon. President, delivered the final address on "The Commerce of Thought." At the conclusion of the address Mr. Brown was called to the front and made the recipient of an address and presentation from the club. The address was read by Mrs. Leslie Keene, Vice President, and the presentation, which consisted of two volumes of "The Outline of Christianity," and a sum of money, was made by Mr. Murray C. Biggar, the President.

The address follows: Dear Mr. Brown:— It is with deepest regret that we, the members of the Erie Community Club, learn that you are about to sever your connections with us. So at this final meeting of our club we feel that we should make manifest our feelings toward you.

Since it was entirely due to your efforts that our club was organized, we are exceedingly grateful to you. During the past four years our monthly meetings, which have not only been entertaining but also very educative, have done much for the betterment of this community. As we have gathered here, we have met in our own field of labor, as in the one you are leaving.

Superintendent, Thos. Falls; Sec-Treas, Harold Porter.

In replying, Mr. Brown said, it had always been a pleasure to him to labor in the Sunday School. Anything he had done had been amply repaid by the interest and attendance at the classes. He wished the Sunday School every success in the future and would always be thinking of them.

A dainty lunch was then served and the evening came to an end with the singing of the National Anthem.

REV. W. T. BROWN

You have always, been a very persistent helper in the school. As a teacher you did not just merely fulfill your position, but whenever there was a vacancy and you were asked to fill it you freely responded. Your teachings did not deal with just what the lessons called for, but they dealt with all that the lessons contained, and much more that would be helpful to us, so as to show that your whole heart was in your work. You were just as painstaking with the class if it be small as you were with a large attendance, making all your talks a pleasure to listen to.

We ask you to accept this gift, and when you use it, may you think of the many friends left in the Stone Church Sunday School.

We sincerely hope that you and Mrs. Brown will have as much success and as many friends in your new field of labor, as in the one you are leaving.

Signed on behalf of the Sunday School.

Superintendent, Thos. Falls; Sec-Treas, Harold Porter.

### ESSAY ON CANADA

On Page Seven will be found the announcement of an Essay Contest for school children which is being conducted by a group of weekly papers, including the Jarvis Record. Not only are there valuable cash prizes to be won, but pupils winning prizes will bring signal honor not only to themselves, but to their parents, their teachers, their schools and the community as a whole.

There is no reason why the reader of the Record should not win the first prize. We believe that a number of the prizes can be brought home to this community, and we urge parents and teachers to do all they can to encourage boys and girls to enter the contest.

Read the rules carefully and if there is anything about them that you do not understand, the editor will be glad to explain.
