The Canadian Pacific purchasing office located at Simcoe, K.C. spent more than \$100,000 in 1926 for Okanagan products. Fifteen years ago such purchases amounted to but \$5,000.

With the fisheries of the province of British Columbia standing at \$28,000,000 annually—or half the Canadian total—numbers of enquiries are being received from financial interests in Eastern Canada and the United States, with a view to tapping out business opportunities.

Until the problem of truck competition is solved satisfactorily all transportation in Canada will suffer, according to T. E. McDonnell, Vice-President of the Canadian Pacific Express Company, in a Toronto address recently before the Transportation Club. He states that under the present transportation regulations the railway and express companies are operating under very unfair conditions.

For the second time in three weeks the stork has paid a visit to a Canadian Pacific passenger train. Yesterday on the Imperial Limited going east from Vancouver Mrs. Olson, of Malakwa, B.C. gave birth to a son between Malakwa and Revelstoke. Mrs. Olson was on the way at the time to the Revelstoke hospital. Railway officials and employees did all in their power to render assistance. Telegraphic dispatches from the hospital state that both mother and son are doing well.

The election of J. H. E. Fairbairn, of Montreal, chief engineer of the Canadian Pacific Railway, as president of the Engineering Alumni of the University of Toronto, was announced at a dinner-smoker of the alumni held in Hart House recently. More than 150 graduates acclaimed the new president with the enthusiastic spirit characteristic of a gathering of "School" men. The chief speakers of the evening were Sir Robert Falconer, President of the University, and Mr. Fairbairn.

The rapid strides made by Prince Edward Island's seed potato business, aggregating 300,000 bushels for the past season, mostly shipped south, formed a subject of discussion at the 51st annual convention of the New Brunswick Farmers' and Dairymen's Association here. It was pointed out that this business has rapidly developed; that ten years back not a single seed potato was produced in the province. The remarkable advance in this business was due, it was claimed to the production of a disease-free potato.

Immigration to Canada in the ten months of the fiscal year ending January 31st, amounted to 118,199, compared with 76,439 for the same period of 1925-6. This is an increase of 55 per cent. January immigration amounted to 4,164 compared with 2,324 for the preceding January, a gain of 79 per cent. Of this immigration 899 were British, 305 from the United States and 2,360 from other countries. During January 2,297 Canadians who had gone to the United States with the intention of remaining permanently returned to Canada, making a total of 50,898 so returned for the ten months of the fiscal year.

The Hon. William D. Euler, Minister of Customs and Excise, announces that the present period of 30 days of free entry into Canada of United States motor tourists on a permit will be extended to 90 days, to conform with the privilege now granted by the United States authorities, who admit Canadian cars carrying motor tourists free into that country for 90 days. The only difference will be that the Canadian permit will not initially be for 90 days, but for a first and second 30-day extension, if and when the tourists can show bona-fides and recommendation from reputable associations of automobilists in the United States. A larger tourist movement in Canada is expected to result from the change.
