Wingfield-Honsberger—That the report of the Finance Committee be adopted as read. Carried.

Miller-McDonald—That the report of the Good Roads Committee be received and read. Carried.

REPORT OF GOOD ROADS COMMITTEE

To the Warden and Members of the County Council.

Gentlemen:—Your Good Roads Committee beg leave to report as follows:

1. We have examined the accounts and pay lists for month of April and recommend them for payment.

2. Would recommend that County purchase the following machinery:—1 scarifier, to be attached to Waterloo roller; 4 No. 3 Boss graders; 5 No. 2 Boss graders.

3. Would recommend that the following be the expenditure for 1927: construction, \$27,000; maintenance, \$53,000.

4. Would recommend that a typewriter be purchased for Superintendent's office.

5. That we accept the quotation from A. Bailey, Hagersville, for 3 in. white oak plank, length 14 ft., approximate amount 5000 ft. at \$75 M.F.O.B. County Yard, Hagersville.

6. That no action be taken re adding a section of the Irish Line to County Road System.

7. Would recommend that the maximum load for trucks hauling material over County roads be 4 tons. All of which is respectfully submitted.

S. J. SCOTT, Chm.

Sherk-Jepson—That the report of the Good Roads Committee be adopted as read. Carried.

Scott-French—That a by-law be introduced and read a first time to provide for expenditure of \$27,000.00 for construction and \$53,000.00 for maintenance on County Roads during the year 1927. Carried.

Sherk-Shoupe—That the bylaw to provide for construction and maintenance on County highways during the year 1927, be read a second time. Carried.

Sheep-Jepson—That the bylaw to provide for construction and maintenance on County highways during the year 1917, be read a third time, signed, sealed and numbered and entitled a bylaw as in the original motion. Carried.

Glenny-Saunders—That the request of the delegation from Canboro and vicinity asking that the portion of Talbot Road from Canboro to the Meafik Cemetery be improved be granted and that the road be stoned as soon as practical. Carried.

Miller-McDonald—That we, the members of the Council of the County of Haldimand assembled, desire at this time to offer our esteemed County Official, Sheriff O'Connell, our deepest sympathy in the recent death of his beloved wife, Mrs. McConnell.

In the passing of this loveable and estimable wife and citizen, we can only say: that He who gives us our sustenance and physical support from day to day has called her home and we feel that the Comforter of us all, will still grant comfort and consolation to him who is left behind.

We, therefore, again wish to extend to Mr. McConnell all the sympathy that human minds can convey and trust that the evening of his life may be brightened by the hope of again meeting his beloved partner on earth, in that bright and glorious home on high.

And that this resolution be endorsed on our minutes and a copy forwarded to the bereaved husband. Carried.

Colter-Sherk—That the report of the Building Committee be received and read. Carried.

REPORT OF THE BUILDING COMMITTEE

To the Warden and Members of the County Council.

Gentlemen:—We, four Building Committee, beg leave to report as follows:

Here and There

It is estimated that 23,000,000 acres will be sown to crops this year in the West, an increase of 2,500,000 acres over 1926.

Canada held the record for cutting eggs. The average Canadian last year consumed 337—a record according to Dr. J. H. Grisdale, Deputy Minister of Agriculture.

Tobacco-growing is flourishing in Western Ontario, and this year the average will likely run to 45,000 or double that devoted to the production of this plant in 1926. The crop last year was valued at \$5,000,000.

One of the most powerful radio stations in Canada will be erected at Red Deer, Alberta, in the near future. Stations will be operated in Calgary and Edmonton by remote control to the main station.

New Zealand will be officially represented at the World's Poultry Congress at Ottawa, July 27 to August 4. R. W. Hawke, one of the Island Dominion's best known poultry breeders, will represent that country.

Build the game fish hatchery which will be established by the Dominion Government in the Waterton Lakes district in Southern Alberta, a commercial fish hatchery will be established in the north. The latter will also handle certain species of game fish suitable to lake waters.

The Canadian Pacific steamship passenger traffic through the port of Saint John during the winter season of 1926-7 was over 40 per cent. greater than that of the previous season, and it is expected that the summer traffic through the St. Lawrence port will show a still greater increase.

The last addition to the chain of Canadian Pacific hotels is the "Hotel Saskatchewan," located at Regina, opening on May 24. It is one of the finest of the chain of a character in keeping with the importance of the capital city of the Province which furnishes 50 per cent. of the Dominion's wheat output. The hotel is 12 stories, containing 216 bedrooms with bath, and has beautiful public rooms and administrative offices.

The Canadian Pacific Railway Company reports from Winnipeg the marketing of grain at the present rate of 190,000 bushels daily, as compared with 123,376 for the corresponding season of last year. Manitoba's 180,000 compares with Saskatchewan's 533,000 and Alberta's 366,827. Loadings are also above last year's record with 220 cars daily.

The greater portion of the bells forming the carillon to be installed in the Victory Tower, at Ottawa, were shipped from England on May 7 by the Canadian Pacific steamship "Balfour." The carillon, consisting of 53 bells, is regarded as the finest in the world, and have been cast at the famous bell foundry at Croydon. The bells are a portion of a national memorial to thousands of Canadians who laid down their lives in the Great War.

The Province of New Brunswick is rising in importance as a fur farming province. The report on the fur farms of Canada just issued by the Dominion Bureau of Statistics shows New Brunswick at the head of all the provinces in the number of the yearly gain in the number of fur farms. These increased by exactly 100 in the year ending March, 1926, nearly doubling the number of the year before and standing in the later year at 206. Prince Edward Island still leads the Dominion in the number of fur farms, having 570 out of a Dominion total of 2,283, the latter figure comparing with 2,130 the year before. The provinces rank as follows: Prince Edward Island, 570; Ontario 495; Quebec, 456; New Brunswick, 206; Nova Scotia, 192; Alberta and British Columbia, each 120; Manitoba, 53; Saskatchewan, 42, and the Yukon Territories, 26.

We recommend in accordance with the report of the Inspector of Prisons that the old ice house in the goal yard be removed.

We would recommend that the chairman be authorized to obtain prices on changing the barn into a garage.

All of which is respectfully submitted.

R. S. COLTER, Chm.

French-Scott—That the report of the Building Committee be adopted as read. Carried.

McDonald-Miller—That this Council do now adjourn to meet Tuesday, June 7th, at 10 a.m. Carried.
