Here and There

The late John Oliver, who came from England and commenced his Canadian career as a farm worker and later rose to be premier of British Columbia, left an estate val-and at \$75,913.

The idea that the Scot will not spend money was dispelled this month so far as travel is concerned by the thousands of clansmen who

A shipment of antelope from Can-ada to the United States is shortly to be made. Charles Blazer, rancher, at Lake Newell, who has for years interested himself in the preservation of these animals, has contracted to deliver twenty-two head to a Texas banker.

It has been announced that the representatives of the Cuban potato buyers have agreed to take nine hundred thousand bushels of New Brunswick potatoes this season. Negotiations are at present under way with the Cuban buyers for the sale of the Nova Scotia potato crop.

Increasing interest has been shown in the organization of boys' and girls swine clubs throughout the province of Alberta and new clubs have been formed, among other places, at Pincher Creek, Macleod and Raymond. To the winning team in Alberta the Canadian Pacific Railway awards a trip to the Royal Winter Fair at Toronto.

The 4,000 sportsmen who made returns to the Saskatchewan provincial gamekeepers department last year secured a total bag of 100,000 duck, 26,000 prairie chickens, 6,000 ruffed grouse, and 3,200 geese. In order to obtain some idea of the approximate bag of all hunters it is to be assumed that 12,000 who did not make returns secured the same average bags.

An unfailing indication of farm prosperity is the increasing sale of agricultural implements reported by nearly all dealers in the west this year. The demand for haying machinery has been especially heavy, while the sale of threshers, binders, combines and tractors has been exceptionally large, some firms reporting from 100 to 200 per cent. increases in the sales of these imple-

When the Canadian Pacific Railway train bearing 125 delegates to the Canadian Chamber of Comspoke briefly of the courage and vision of the builders of the railroad.

Alberta's potential coal wealth is greater than all the known coal deposits in the rest of the British Empire put together, according to Sir Thomas Holland, chairman of the Empire Mining and Metallur-gical Council, recently at Calgary. "If the present endeavors to change coal into a fluid fuel, capable of displacing petroleum and all its products, are successful, Canada will
