PETERSON-DOSSER

A quiet wedding took place at St. Andrew's Presbyterian Manse, Hagersville, on Saturday forenoon, August 27th. The young people were well-known residents in the Township of Walpole, the bride being Miss Bessie W. Dossier, daughter of Mr. and Mrs. Gunner Dossier, and the groom, Lorne Peterson, son of the late W. T. Peterson and Mrs. Peterson. They were attended by Robert Dossier, a brother of the bride, and Miss H. Peterson, sister of the groom. Rev. Austin L. Budge, M.A., performed the ceremony. The happy couple left for a wedding trip. They will reside on a farm in Walpole.

McCLELLAND REUNION

About 150 people attended a picnic held at Armstrong's Pavilion at the lake last Saturday, which was the golden wedding anniversary of Mr. and Mrs. Charles McClelland of South Boardman, Michigan, who motored here with their daughter and her husband, Mr. and Mrs. J. E. E. of Detroit, Michigan.

A mock wedding was conducted in a humorous manner by Mr. James McClelland of Norwich, Ont., which was merrier for the crowd. The bride's bouquet was a spray of golden glow and ferns. A ring service was used in which a new wedding ring was given to replace the former one. A purse of gold was then presented as a token of love and esteem of their friends. The bridesmaid was Mrs. Sarah Beck Walrath of Selkirk, Michigan and who attended the couple at their wedding 50 years ago. The best man was her brother, Mr. Cyrus Beck. A sumptuous wedding dinner was served, including a large tiered bride's cake, a part of which was mailed to the absent children of the couple.

Athletic sports were the feature of the afternoon and in the evening an old fashioned charivari was given them at the home of Mr. and Mrs. Lealie Swartz. They were showered with rice and confetti and their motor car was covered with numerous signs, old shoes and tin cans.

Mr. and Mrs. McClelland were former residents of Walpole Township before moving to Michigan about 40 years ago. They have 5 children and 5 grandchildren, all of whom are living.

They are well preserved in health and we congratulate them on the event, hoping that they may be able to make us many more visits here.

Out of town guests were from Port Colborne, Toronto, Buffalo, Norwich, Windsor, Michigan, Detroit, Essex, Manitoba and London, England.

ERIE WELCOMES ONTARIO PARTY

Newspaper Men and Civic Officials Enjoy Fine Trip

ARE ROYALLY ENTERTAINED

Notfall, Brant and Haldimand Counties Are Represented

To idle down a golden waterway. Where commerce strives and romance kindly smiles. Whereby pan-haunted streams the moonbeams play. The steamers quickly gain the happy isles.

Friday, August 26th, will be long remembered by the party of sixty newspaper men, their wives, and civic officials, etc., who were the guests of the City of Erie, Pa., the Chamber of Commerce and the press of that city. The day will stand out as one of the brightest days of a busy and enjoyable season, and even the minutest detail was not overlooked by our hosts to add pleasure to the occasion.

Although the boat was not scheduled to leave "the port" until 8 a.m., the crowd started to gather by 7.30 and many from out of town points had come early to inspect the vast work that it had been broadcast the Federal Department of Public Works had carried out. Naturally they met disappointment in this regard—and were even more disappointed when they saw the sand from the dredge being dumped into the lake instead of being used to fill up the marsh that we are always complaining about. And when, later in the day, we saw the same situation in Erie and the sand-suckers at work filling in the beautiful level spot, where later attractive gardens would be laid out, we were reminded even more forcibly of the apparent wasted effort of the Department of our own government. However, many of the visiting pressmen were glad to see that something was being attempted at Dover and it is safe to predict that Port Dover will have assistance of a united press when again presenting our needs and our claims to the "powers that be" for an adequate appropriation for harbor developments at Port Dover.

At 8.05 the gangplank was lifted and 'twas sure a jolly crowd aboard the steamer "Erie." And, as all good newspaper men should be—everyone proved themselves good sailors on the trip over. Introductions were in order for the first hour, and Reeve Misner made good and sure that everyone in the party was acquainted, which added not a little to the enjoyment of the day.

PERSONELL

With the party were: P. George Pearce, owner of the Simcoe Reformer and Waterford Star; Mr. and Mrs. Sam H. Morris, Port Dover Maple Leaf; Mr. and Mrs. George A. Macs, London Free Press; Mr. and Mrs. W. Hoebel, Jarvis Record; Mr. and Mrs. B. H. Dawley, Haldimand Advocate; Mrs. Sawie, Grand River Sachem and Mrs. B. E. French, Caledonia; A. Saunders and Mr. and Mrs. F. H. Stringer, Brantford Express; Miss Pauline Robinson, Simcoe Reformer; Miss Eva M. Smith, Hamilton Herald; Mr. and Mrs. A. B. Ivey, the former president of the Port Dover Board of Trade; Mr. and Mrs. C. Thorburn, Reeve and Mrs. J. Harry Misner, Warden Roy Misner, F. M. Bond, J. P.; Mr. and Mrs. Edgar P. Bagley, town treasurer and secretary of the Port Dover Hydro Commission; Councilor and Mrs. John Walker, Councilor and Mrs. H. G. Valey, Councilor W. B. Best, Councilor and Mrs. Alfred J. Schubert, Mrs. C. O. MacDonald, all of Port Dover; Mr. and Mrs. Douglas Stalker, the former president of Norfolk County Chamber of Commerce; Councilor and Mrs. A. Peachey, and Mayor C. Austin, all of Simcoe; Reeve Duncombe, of Waterford; Wm. White, Brantford Chamber of Commerce; R. H. Miller, M. L. A. for Haldimand County, and M. E. Stevens, Federal Department of Public Works, London.

A RIGHT ROYAL WELCOME

With the pier bedecked with flags of the U.S. and the Canadian Ensign, the "Erie" docked at 11.30 and the party was greeted by representatives of the Erie Chamber of Commerce and a fleet of high-priced automobiles. "The best was none too good for the visitors" seemed to be the slogan here and also throughout the entire afternoon and we were taken via the beauty spots of the city to Waldameer Park, where after a few minutes tour of inspection we found ourselves in the new \$100,000 winter

garden—one of the most up-to-date and grandest of dancing pavilions. Our special benefit the orchestra played a couple of waltzes and those who ventured forth on the perfect, glass-like floor, pronounced it par excellence. We learned that the ground rental on which the pavilion stands is \$25,000 a year and a 99 year lease was granted by the owner on these terms. The dance hall is a magnificent structure; the lighting arrangement almost beyond description and we noted the President of the Board of Trade taking more than ordinary interest in the hall and the accommodations provided.

DINNER AND AFTER-DINNER MINTS

It was called "luncheon," but that settles the banquet spread that was before us. Everything from "soup to nuts" was served and the lake trip "dressed up" our appetites. Over the entrance was a big sign, "Barbe-Q," so we hardly knew what to expect within the portals. However, this part of the program had been left entirely to Alex Moeller, and with his large staff of waitresses he did himself proud; the quality was of the best; the quantity inexhaustible.

OFFICIAL WELCOME

Then came the official welcome. The mayor of the city was playing host at a movie show to 500 kiddies from the orphanage and so was unavoidably absent from extending the freedom of the city. Such a worthy work appealed to all, and His Honor was excused—for we knew the young folk would want their "Santa Claus" to be with them and cheer, his heart as he too would cheer theirs, and so it fell to the lot of Harry W. Sims, vice president of Erie Chamber of Commerce, to deputize for His Honor the Mayor and extend the official welcome. Mr. Sims recalled that the Erie Chamber of Commerce had on three occasions been royally entertained in Canada: first, by the Board of Trade of Montreal; second, by the Chamber of Commerce of Toronto, and more recently by the Board of Trade of Port William. It was, indeed, a distinct privilege to have as guests of the city today the ladies and gentlemen present who had come from Port Dover and surrounding countryside, and he extended to each and everyone a most hearty welcome.

SENATOR MILES B. KITTS

The Senator was in happy vein as he arose to add his word of welcome to the guests on behalf of the city and state, who were in reality, our next door neighbors. His address would of necessity be short, as he did not think too much time should be spent around the festive board when there was so much to see and so many places of interest to visit. He urged for a closer intercourse between the two peoples and thought that too much effort could not be put forth for the people to fraternize and become better acquainted. There seemed to be an added interest being taken by our people since the last Ontario election, he remarked. The Senator expressed the hope that this visit would not be the last, "and," he said, "above all, we want you to know that you are welcome and we would like to have you get in closer touch with us." We are of the same tongue and the same ideals although working under a different flag; we are brothers—or cousins—whatever appellation you may choose to apply. The American and Canadian soldiers fighting side by side in a common cause "over there" had built up a greater admiration for each other than anything else and he hoped this spirit of comradeship would always be maintained. Before resuming his seat the Senator hoped that time would be afforded for a visit to some of the historical landmarks with which the city abounds, as well as

MARY ESTELLA PURSLEY

This community was greatly shocked to learn of the sad accident which occurred on the Highway near Ren-ton on Saturday, August 13th, which resulted in the death of Mrs. John Deming of this village on Tuesday, August 16th, in the Norfolk County Hospital.

Mary Estella Pursley was the daughter of Mr. and Mrs. Caleb Pursley of Townsend, and was born in 1871, spending her girlhood in her native township. In 1893 she married John Deming, also of Townsend, about 23 years ago. They moved to Jarvis where they resided till the time of her death.

She leaves to mourn their loss besides a sorrowing husband, one daughter, Mrs. Peter Mitchell, who lives near Jarvis, and one granddaughter, Anna Mary; also two sisters, Mrs. Arthur Culver of Waterford, and Mrs. S. Cable of Lynville. One son, Floyd, predeceased her 17 years ago. Other sisters and brothers passed over the Great Divide were: Rasmus, of Buffalo; David, of Waterford; Mrs. Edward Jackson, of Simcoe; Mrs. John Honey, of Waterford, and Mrs. Robert Sinclair, of Brigidon.

Mrs. Deming, whose health had been very delicate for some years, was of a quiet, kindly disposition, well beloved by all who knew her, a consistent Christian and a faithful member of the Wesley United Church. The funeral services were held in the above church on Thursday, Aug. 18th, at 2 p.m., when a large concourse of sympathizing friends and neighbors gathered to pay their last tribute of respect. In the absence of the pastor, the service was conducted by Rev. H. L. Roberts, of Brantford, who preached a very appropriate sermon, taking as his text: "If a man dies shall he live again." Interment took place in Greenwood Cemetery, Waterford. The pallbearers were: Jos. Owen, John Wodham, Julius Weil Gus Weil, John Deller and James Jones.

The many beautiful floral offerings from the following bore testimony to the esteem and respect held for our dear departed sister: Husband and family; granddaughter; Mrs. Sarah Pursley Mr. and Mrs. O. Peterson and Miss Peterson; Mrs. Zelma Pursley and family; Mr. and Mrs. A. Culver and family; Mr. and Mrs. John Honey, Mr. and Mrs. Lloyd Honey; Mrs. W. Deming, Mr. and Mrs. S. HIGH SCHOOL GRADUATES DESIRED

The following letter, will give to YOUNG MEN graduating from High School or College an idea of what the Business World has to offer them.

Toronto, Ont., Aug. 15, 1927.

O. U. Robinson, Secretary-Treasurer, Robinson Business College, Limited, Waterford, Ont.

Dear Sir:

We have posts in our Office for two or three male typists. We prefer to get typists with Matriculation standing, or at least some High School education. In our general clerical staff, the lowest standard we accept is Junior Matriculation, but we realize that it is not always possible to get typists who have reached this stage. We are interested however, only in young people of top grade in respect to both ability and character. There is great opportunity in this Business for advancement, and to a young man of the right material, an attractive and useful career is possible. If you know of a male typist who is seeking a post, we shall be glad to hear from you.

The Harris Abattoir Co., Ltd., S. G. Brock, Secretary.

YOUNG LADIES!

There is always a demand for well-trained young ladies with the same educational standing. This goes without saying, but we want to let young men know that there is also a keen demand for them.

OUR COMPLETE OFFICE TRAINING COURSE
