For Interior Construction

MAKE your rooms fire-resistant and free from drafts and cold by erecting Gyproc ceilings and partitions in your home. Gyproc can be put up in half the time required for lath and plaster—saving time and labor costs. Gyproc takes any decoration. Let us show you a full-sized Gyproc board ready to apply.

Write for free booklet—"My Home." It will tell you how Gyproc, Rochoard Gypsum Insulating Sheathing and Insulax will reduce your fuel bill from 20 to 40%.

> A recent epidemic of motor accidents, five of which occurred in one night, though luckily none of them proved to be fatal, elicited the follewing editorial comment from the Montreal Star. "That five drivers of automobiles should drive their cars into moving trains within a accidents. The location of level gives even a fast driver ample time gates are let down. Some are open safeguards, wasnings, signals, and alarming consistency. In some inthough the drivers were determined to defy all attempts to ensure caution." The paper calls for cancellation of driving license in cases ille the above.
