in a Low Priced Car

THE most recent trend of automobile design is strik-
ingly exemplified in the "Bigger and Better" Che-
vrolet. The high, narrow radiator . . . the long,
low bodies . . . the unbroken sweep of the lines
from front to rear . . . the stylish blending of
colors in finish and upholstery . . . these distin-
guish Chevrolet as unmistakably new and fashionable.
In power, in speed and snap, the "Bigger and Better"
Chevrolet is no less modern and vigorous. Countless
refinements in engine and chassis give Chevrolet a
performance as dependable as it is brilliant.
The "Bigger and Better" Chevrolet, alone among low-
priced cars, has truly caught the modern spirit.

The G.M.A.C. . . . General Motors' own deferred pay-
ment plan affords the most convenient and economical
way of buying your Chevrolet on time. C-2220C
