

British Envoy to Canada

The probable appointment of a reesentative of the British Governat to serve as a special envoy to entirely distinct from the vernor General, seems to be about le last word in international anomalles. What is this organization we to call the British Commonwealth of Wations? Is it an international leawand no matter how little it may be derstood, it is evidently able to function. We can only watch its fur people feel weak, depressed and easily

in minister, has been sealonely health quickly follow. exceeding this new doctrine. More If you are pale, easily tired, or But the everlasting team work, than three hundred enthusiastic audiences in the Dominions have heard him speak of "equal freedom under the Crown, in which no one Governother of its members."

We have seen this principle work Canada and the Irish Free State to fereign countries, in the membership of the Dominions in the League of Nations and in their appointment of High Commissioners in London, but this is the first suggestion that the British Government must send special representatives to its own Dominions. And what the status of the proposed envoy to Canada would be presents a comsiez problem. He cannot he an am-Sereign countries—the American Min-this great medicine a fair trial." inter, for example—in the official life of the Canadian capital. The BABY

Why do so many, many babies of today escape all the little fretful spells and infantile ailments that used to worry mothers through the day, and keep them uphalf the night?

" If you don't know the answer, you haven't discovered pure, harmless Castoria. It is sweet to the taste, and sweet in the little stomach. And its gentle influence seems felt all through the tiny system. Not even a distasteful dose of castor oil does so much

Fletcher's Castoria is purely vegetable, so you may give it freely, at first sign of colle; or constipation; or diarrhea. Or those many times when you fust don't know what is the mater. For real sickness, call the doctor, always. At other times, a few drops of Fletcher's Castoria.

The doctor often tells you to do just diat; and always says Fletcher's. Other preparations may be just as pure, just as free from dangerous frugs, but why experiment? Besides. the book on care and feeding of bables that comes with Fletcher's Catstoria is worth its weight in gold!

mention of the old scheme of an Imnerial Federation and an Imlithit Free State, New Zealand an South Africa can never return to such close allegiance with the mother coun try. They will now accept no bonds beyond those of common loyalty to the British Crown, symbolized by their Governor Generals, and if Canada's lead is followed exectal egyoye between the mother country and her children will serve as the mediums through which these independent nations will arrive at a policy of co-oper ation,-N.Y. Sun.

NO BETTER MEDICIN FOR LITTLE ONES
