**COMPETENT MEN TO LAY LINOLEUM THE "NEW" WAY**  
 without a Tack Hammer, Tacks or Nails.

Hundreds of people have never experienced a good job of linoleum laying. They do not realize that modern Linoleum is something more than a floor covering cut off the roll and tacked down in makeshift fashion, oftentimes with ugly brass strips to hide the seams. Falls' pride themselves on their ability to lay a Linoleum Floor that looks like a real Floor. We cement in place so carefully that seams are well-nigh invisible. Our men make a water-tight, practically one-piece job. Linoleum that you buy here will look better and last longer. May we serve you?
