THREE MONTHS SCHOOL SOCIAL RECEPTION

A social reception was given by the Short Course to the various organizations and individuals in the district of Jarvis who have helped in any way to make the Jarvis Three Months' School a success. We are proud to state that the Jarvis Three Months' School is the largest and best in the Province of Ontario this year. The idea of the reception was to show our appreciation to the organizations and individuals who have made this possible.

Interesting, instructive and able addresses were delivered by Hon. John S. Martin and George A. Putnam, Superintendent of Women's Institutes. We were highly honored on this occasion in having Mr. Martin with us and his address was greatly appreciated by all.

The musical part of the program reflected great credit on the students taking part and we realize that the success of the musical festival was entirely due to the able directorship and training of our popular music teacher, Miss Mary MacMurchy.

Our sincere thanks are due to her for the delightful program which was staged during the afternoon. The numbers on the musical program were as follows: Gypsy Chorus in fancy costume, with Miss Doris Kindred taking the solo part, was very delightfully rendered; piano duet by R. Miller and R. Lysch; vocal solo by Russell Hare; violin duet by Mary Mehlenbacher and Esther Drinkwater; boys' chorus; piano trio by Helen Mehlenbacher, Willis MacMurchy and Loreen Nunn; vocal duet by Doris Kindred and Russell Hare; piano solo by Cora Hemming; and violin trio by Mary Mehlenbacher, Inez Lundy and Esther Drinkwater. The musical festival closed with an Old Fashioned Chorus which took exceptionally well with the audience and the girls looked charming in the costumes worn 50 years ago.

After the program our guests were entertained to a luncheon prepared by the School of Home Economics and the able and efficient directorship of Miss Lulu Row, Principal of Home Economics. All the sandwiches, cakes, etc., offered to the guests, were prepared in the class room under Miss Row's direction. The quality of the cooking could not be surpassed and there was a sufficient quantity to satisfy the wants of everyone present. To sum the social reception up briefly, it was a real success in every sense of the word and greatly appreciated by everyone present.

The credit for the success of the social reception should be given to Miss Mary MacMurchy, Miss Lulu Row, Mr. Hart and Mr. Spry, not forgetting, of course, the students who did their parts in such a way as to reflect credit upon the School and upon the communities which they represented.

We were delighted to have so many of our guests present and believe that most of them accepted the invitations which were extended to them for this important event.

JARVIS SCHOOL WINS DEBATE

Caledonia vs. Jarvis, Inter-School Debate and Social Evening

This event was held in Peacock's Hall on Friday, February 3rd, at 8 p.m. Debate—"Resolved that New Ontario offers greater opportunities to the young man than the Prairie Provinces," was won by LeRoy Pond and Miss Jean Oakes of the Jarvis School, who had the Negative. We congratulate the Jarvis School on winning the debate, but believe that the Caledonia School thoroughly enjoyed the evening as they are good losers.

After the debate and program a dance was held and everyone enjoyed a real good time. The attendance at the Inter-School Debate and Social Evening was over 200.

Friday, February 3rd was a red letter day in the history of the Jarvis Three Months' School in that two outstanding events were held, namely, the Social Reception and the Inter-School Debate and Social Evening.

HAMILTON CLUB ENJOY THEIR VISIT TO JARVIS

On Thursday evening last, about 30 members of the Optimist Club of Hamilton, and their ladies, motored to Jarvis, where they were the guests of Dr. and Mrs. Marsh.

Shortly after their arrival, they seated themselves at the banquet tables in the basement of Knox church, where the ladies of the church had prepared a spread "fit for a king." That the guests enjoyed the "eat" may be judged from the fact that a second helping to the chicken pot pie was indulged in by the majority. Mr. Beal, president of the club, acted as toastmaster.

After all had had an ample sufficiency, adjournment was made to the church, where Dr. Marsh, in his inimitable manner, treated his guests to a short talk on comets. This was followed by a peek through the telescope, after which the jolly crowd, voicing their appreciation of the hospitality of their hosts, wended their way homeward.

PRESIDENT FOR THIRD TERM

The Brigden Club, an auxiliary of the Evangelical Church of the Deaf of Toronto, recently elected Mr. Herbert W. Roberts as President for the third successive term and the sixth time since its formation. On this occasion, Mr. Roberts, in thanking all for such unsolicited honor, promised he would give all a treat later on. In this he vindicated his word last Saturday evening when he got up one of the best entertainments ever held by the club and figured in by a troupe of nearly 30 actors and actresses, from five to 70 years of age, and the large crowd present were kept in convulsions of laughter throughout the three hours of fun-making. The playlet was called "Public Park Pleasures," and consumed 12 merry acts. Mr. and Mrs. Roberts, besides bearing all the expenses, also entertained to a free luncheon in the church cafeteria and were assisted in serving the guests by members of the Ladies Aid Society, the C. G. I. T. members and Y. P. S. members. A jolly time was had by all. A feature of the evening was the way the children of the members enjoyed themselves and the proud parents were as much amused.

VARENCY W. I.

The February meeting of the Varence Women's Institute was held at the home of Mrs. W. R. Hodges on Thursday, February 2nd, with 22 members present. Notes of thanks were read from the School Sections Nos. 7, 9 and 11, of Woodhouse, for the emergency kits placed in the schools. It was the wish of the members that we accept the invitation of the Hagersville Institute for the special summer meeting. A donation of \$20 was received from the Varence Hardball Club, also a donation of \$1 to buy batting for a quilt for a needy family. A splendid paper by Mrs. W. R. Hodges on "Hospitality—How to Make a Home," was given. Miss Mabel Kindy rendered two piano solos which were very much appreciated. A very interesting feature of the meeting was the Apron Parade. Mrs. Wm. Dugby in leading the Roll Call gave very helpful suggestions for entertaining our friends. The meeting closed in the usual manner followed by a bountiful lunch.
