Donations of cake and sandwiches will be  
greatly appreciated

### Here and There

W. J. Elliott, of Northern Alberta's Peacock's Hall, Jarvis, has been selected as the host for the evening of a "Mock Parliament" at Peacock's Hall, Jarvis, on Friday evening, Jan. 13. The new owners of the hall will take possession on New Year's Day. The farm, which is in the Tofield district, has 100 acres.

Passengers on the "Empress of France" now touring the world had a memorable experience when they witnessed brilliant military manoeuvres near the Grand Pyramids initiated by King Fuad of Egypt in honor of the visit of King Amanullah of Afghanistan. Some of the passengers were subsequently received at King Fuad's court.

Toronto.—An optimistic note with regard to the market for Canadian bacon was struck by A. J. Hill, representative of the British Ministry of Food in conference with packers here. He expressed the conviction that Canadian farmers would be very poorly advised to slacken in hog production at the present time, stating that an improvement in the British market was in sight, with many of the countries which had been flooding Britain with bacon during the past year being practically out of the business.

With around a thousand guests seated in the Ball Room, the Main Dining Room and the Jacques Cartier Room of the Chateau Frontenac, Quebec City, that famous hotel presented a remarkable scene on the occasion of the New Year's Eve festivities. Among the guests were the Governor of New Jersey and officials of the state, while important parties came up from New York, Boston, Philadelphia, Baltimore, Chicago and other cities of the United States.

A handsome New Year's gift to the people of Canada is indicated by the announcement of reduction of rates charged by Express Companies of the Dominion for shipment of packages up to 15 lbs. in weight and not over 3½ feet in length, width or depth, which has been issued and filed with the Board of Railway Commissioners for Canada by C. N. Ham, Chairman, Express Traffic Association. The reduction went into effect January 1 and it includes a continuation of the arrangement under which the Express Companies give protection against loss and damage up to \$50 without extra charge on packages carried.

Toronto.—The Exhibition at Toronto led all the fairs on the continent last summer with an attendance of 1,780,000, according to a report by E. L. Richardson, of C. I. Gray, President of the International Association of Fairs and Expositions. He states that fairs each year are becoming more popular and more successful, educationally and financially. More than 39,400,000 persons attended the 2,368 fairs in the United States and Canada this year, and attendance has, in fact, increased each year since 1910 by about 2,000,000. Investments in buildings and grounds is put at \$100,000 and prizes each year amount to \$8,400,000.

### Here and There

Glass tubes filled with water are used as incubators for trout eggs at the Ontario Government Hatcheries.

Designed to prevent mildew, a Californian has invented a device which sprays wet or dry sulphur over grape vines.

More than 36 tons of food are required daily to feed hogs on a California ranch and it is distributed by means of an electric railway being side dump cars.

The light producing apparatus of the glow worm and firefly is said to be the most efficient in the world. The glow worm light is eighty times more efficient than a tungsten lamp.

Construction of a million and a half dollar factory building has commenced in Cornwall, Ont., which, when completed, will give employment to 500 hands. Artificial silk will be manufactured from pulpwood.

Crossing from Quebec to Quebec in 5 days 19 hours, the Canadian Pacific S.S. Empress of France created a new record for the trans-Atlantic voyage. Her average speed on the record run was 20.155 knots.

Montreal officers of the Dominion Express Company state that the strawberry shipments this year have been much heavier than heretofore. The Ontario crop ripened quickly, but was easily disposed of.

Alberta Government wolf-hunters will this season again penetrate the barren land and wage war on the timber-wolves which prey on the caribou herds. Last season the hunters killed off several hundred of the predatory beasts in the country north-east of Great Slave Lake.

Beginning in the Autumn, German express trains will be equipped with combination radio and wireless telephones, enabling the sending of wireless messages, telephoning and the giving of radio concerts while the train is travelling at a high rate of speed.

A world's record for his senior two-year old Holstein Friesian Heifer, Williamsburg Pontiac, is claimed by Dr. M. W. Locke, Williamsburg, Ont., as a result of a 30 day test showing production of 2,798.5 pounds of milk and 113.82 lbs. butter fat, equivalent to 148.8 lbs. of butter.

The official Railway Guide, in commenting on the Air service which connects with the Canadian Pacific Express at Angliers says: "So far as we are aware this is the first instance on this continent where interchange of passenger traffic between railways and airplanes has been established."

In his address to the Associated Advertising Clubs of the World, at Wembley, July 17th, E. W. Beatty, President of the Canadian Pacific Railway stated that the amounts spent on colonization by the Canadian Pacific Railway and the Canadian Government from the year 1881 totalled, respectively \$67,000,000 and \$35,000,000.
