at Low Cost

If you could have exactly the kind of car you
wanted, what are the features you would de-
mand?

You would want Performance... stamina to stand
long, trying trips.

Then you would want Style, of course,—the latest
trend in body design—long, low, racy lines,—the
newest and most modish colorings. You would
want the distinction of Body by Fisher.

And you would like a Luxurious car... one with
wide, deep cushions that invited rest... with rich
and beautiful upholstery and fine interior appoint-
ments... one with snug protection against the
weather with ease and smoothness of riding.

Last, but by no means least, you would demand
Quality... substantial construction... refinements
such as Four-Wheel Brakes, Air-Cleaner, Oil Filter,
Crankcase Breather, Vacuum-Feed Fuel Supply,
Safety Gasoline Tank in rear and so forth... de-
pendability at all times and under all conditions!

These are the things everyone would like to have
in a car... and that everyone CAN have, for the
first time in automobile history, at the low cost of
the "Bigger and Better" Chevrolet.

The G.M.A.C. General Motors' own deferred payment plan affords the
most convenient and economical way of buying your Chevrolet on time.
