5,000 FACTS ABOUT CANADA
Frank Yeigh's popular compilation,
"5000 Facts About Canada," for 1928,
is out, having reached its improve-
ments, including an illustrated section
and 25th year. The edition is marked
by many tables showing the marked
progress of the Dominion in a quar-
ter of a century, while the stirring
story of our national development in
a single year is strikingly shown in
a series of crisp paragraphs in 60
chapters, ranging alphabetically from
"Agriculture" to "Western Canada."
No publication sells Canada — not
only to Canadians but to the world —
more effectively than this tabloid en-
cyclopaedia, and one can well under-
stand that it has a large circulation.
It may be had from leading news-
dealers or by sending 50c for a copy
to the Canadian Facts Pub. Co., 508
Huron St., Toronto.
