NOT only is the "Bigger and Better" Chevrolet a finer car mechanically . . . not only does it offer more thrilling performance and more delightful riding comfort—but it is infinitely more beautiful and more superbly styled!

Every one of the seven new models is worthy of detailed comparison with cars costing hundreds of dollars more—not only in brilliance of design and execution, but in completeness and richness of appointment as well.

The new Fisher bodies are artistically beaded and paneled—with long, racy lines. The new genuine Duco colors are modish and smart.

Interiors, too, are impressively luxurious—rich upholstery, wide, restful seats and a beautiful, new, completely enclosed instrument panel.

Come in and see for yourself the beauty you've always wanted! We'll gladly place a car at your disposal—for an actual road demonstration.

The G.M.A.C. . . . General Motors' own deferred payment plan affords the most convenient and economical way of buying your Chevrolet on time. C.19.8.28c
