Here and There

During 1924 the 1,800 bee-keep of Manitoba marketed 1,302,000 pounds of honey, valued at \$195,-000. according to official returns by the Provincial Apiarist.

Prof. J. A. Allen, Provincial Geologist of Alberta, declares in an official statement that sixty-two billion tons of coal, half of which is recoverable, lie beneath the surface of Alberta soil.

Seymour Backus, Vice President of the Backus-Brooks Company, of Winnipeg, states that the largest producing pulp mill in the world will be in operation at Kenera, Ont., he fore the end of 1925.

It is estimated that Vancou will ship approximately 25,000,000 bushels of grain of the 1924 crop. Shipments already total 21,188,000 bushels. Commitments for almost 1,000,000 additional bushels have been made.

The special train operated by the Canadian Pacific Railway and linews as The Trans-Canada Limited, which makes the journey across the entire country in eighty-eight hours, recently commenced its season, the seventh since its inception.

According to a bulletin issued by the Bureau of Statistics Alberta's foreign population is in excess of 180,000 with approximately 100,000 American included in the total. About 5,000 Americans reside in Calgary.

When Their Majesties King George and Queen Mary paid their official visit to the British Empire Exhibition at Wembley shortly after the reopening, they boarded the ministure Canadian Pacific train and made a trip around "Treasure Island" and expressed great interest in all they saw.

An effort will be made this year to transplant Swiss mountain roses in the Canadian Rockies. These roses, which were brought from Switzerland by Dr. Huebscher, late Swiss Consul at Montreal, are extremely hardy and only thrive above elevations of 3,000 feet. They will be planted in the gardens at Lake Louise and Banff.

The first trip of the Canadian Pacific S.S. Princess Kathleen from Vancouver to Seattle via Victoria was recently made under most successful conditions. The people of Seattle are so enthusiastic over the increased coastwise service that they have tendered an address of thanks to Captain Troup, manager of the Canadian Pacific Coastal ser-

There is every possibility that the Provincial Government of British Columbia may this year complete the construction of the scenic highway connecting Golden on the main line of the Canadian Pacific Railway with the summer resorts of Banff and Lake Louise. When this link, much of which was built during the past two seasons, is completed it will make one magnificent triangle through the heart of the Canadian Rockies.

Building permits issued in Canda during the first quarter of 1925 were 10.2% and 1.2% greater than in the first three months of 1924 and 1923, respectively. There were also 5.5% greater than in the first quarter of 1922, 46.5% higher than in 1921 and 4.3% above the 1920 total. The aggregate value of building permits issued for the first quarter of 1925 was \$19,672,637, compared with \$16,846,959 for 1924 and \$19,-441,159 for 1923.

Here and There

Under the joint Canadian-British Government scheme, 3,000 families are being brought to Alberta this year and the first party of families will arrive in April. They will first be guaranteed employment and later will take up their own land.

Henry E. Suckling, Treasurer of the Canadian Pacific Railway since 1908, died recently at Atlantic City after an illness of several months. He was born at Gibraltar in 1851 and had been associated with railways in a treasury capacity since his early manhood.

J C. Mitchell, of Dahinda, Sask., known as the "world's champion wheat grower" returned home recently from a lecture tour of the British Isles. "Go West, young man, go West," is his advice to all who wish to try their fortunes in the

Speaking at Toronto, Hon. Charles McCrea, Minister of Mines for On-tario, said that the estimated output of the mines of the province this year will be around \$75,000,000. In regard to gold he stated that by 1928 Ontario was expected to top the total production of the United States.

A new Silver Trophy donated by the English Football Association to the Dominion of Canada Football Association for annual competition among Canadian clubs has arrived in Canada and will be on exhibition at Canadian Pacific stations at Montreal Toronto, Winnipeg and right across the West.

An expedition which will try to climb Mount Logan (19,359 feet) in the Yukon, the loftiest peak in Canada, is to leave Vancouver in April. It will be headed by A. H. McCarthy and Col. W. E. Foster, of Vancouver, and six other gentlemen, including a representative of the English Alpine Club, will complete the party.

Agricultural products , in the Province of Manitoba during the year 1924 reached a total estimated value of \$164,312,857, according to figures issued by the Provincial Department of Agriculture. This amount is nearly double that of the previous year and is accounted for largely by the big upturn in the

The shield which was taken from the gates of Old Quebec when the city was captured by General Wolfe, and now in the possession of the town of Hastings, will be returned to the Ancient Capital. The Hastings Council have decided to return the shield which was presented to them by General Wolfe Murray, a descendant of the famous soldier.

Miss Ethel Loginska, tempera-mental pianist, gave another taste of her quality when she lectured a socially prominent audience for coughing in the middle of a concert at Englewood, N.J. "If you can't control yourselves, please don't stay here," she remarked. About fif-teen disgruntled members of the audience left the hall indignantly.

Trail Riders of the Canadian Rockies have developed the idea of using snow shoes for horses over the heavy snow tracks of that region. In this way great quantities of supplies are brought considerable distances across trails that would otherwise be impassable to heavy loads. Trail Orders are holding their second great Pow-Wow early

Devising a new kind of motion picture camera with a built-in motor that is almost noiseless in operation, Burton S. Moore, proprietor of the Nietau Camps in New Brunswick, has succeeded in taking about 4,000 feet of film of wild life in action which will be shown in due course on Canadian and United States screens. He has been particularly successful in depicting every motion in that special phenomenon by partridges known as drumming.

Over half of last year's western grain crop was handled by the Canadian Pacific Railway according to data just issued by the Dominien Bureau of Statistics. Of the total grain inspections numbering 172,-356 cars during the seven months to February 28 last, 99,237 cars were on the company's lines, repre 571/2 per cent, while of the 130,157 cars delivered at Fort William and Port Arthur during the same period 68,690 or 52.8 per cent are credited to the company.
