**JARVIS BRANCH OF THE BIBLE SOCIETY**  
To Whom It May Concern:—  
The Holy Bible is the book of all books and it should be in the hands of every person under the canopy of God's heavens. Some day the Bible agents will call upon you for this year's donations, to give Bibles in their own tongue to the numerous foreigners that are coming to our great Canada. We should induce the people to read the word of God and live up to it. This means less crime and safety for our people. It behooves us not to turn them away without some help for the extension of God's Kingdom.  
Homer Trousdale, Sec.-Treas.
