The Proper Way to Judge Your Car's Speed for Safety's Sake

Charles Hopewell, police magistrate, Not ... it looked more smug than any of Ottawa, Canada, contributed to a who are anxious to tell of their ex- Nothing can be more touching bfle Club a suggestion for motorists

Our eyes met guiltily. "Thank you," wen, and think in terms of rect and ways kept the Tablets in the house. I ed. The love of these things is inYes, the only sin I feel conscious crosses your path fifty feet ahead from them are the picture of health. Baby's makes for that love of home, one of Yes, the only sin I feel conscious of at present in my entire dealings where you are sitting at the wheel Own Tablets are the only medicine the strongest features of our race, of at present in my entire dealings and you are travelling thirty miles per they have ever had and I really beand it is that that makes our race your care cannot prevent them. But game nunter and the author of a you can be prepared. Then you can successful book, go home to England only half a second if the object is only Baby's Own Tablets are free from see things like this that they can no thirty miles, fifty-one feet; at forty miles, fifty-eight feet; at forty-five miles, sixty-six feet. What should therefore be constantly in the motorist's thought is the time limit which his speed is seting for him should an emergency rise up before him.

Experienced drivers will generally Brighton council decided to ask for agree that this is good advice; many sanction to borrow £117,000, instead might probably add that they have of £92,000, to reconstruct the Aqu- found it out for themselves. But the arium. This will mean another Gov- statistices show by inference a considerable proportion of drivers who give no thought whatever to the number of feet that a car goes in a second. Cars are driven both responsibly and irresponsibly, carefully and carelessly. The responsible driver must needs be vigilant to protect his passengers and himself against the irresponisble and careless. A driver whose perception is trained in terms of feet and seconds is far more likely to have his own car in constant actual control, and to be quicker to judge the speed and behavior of an irresponsible, than is one who thinks in terms of miles and hours. It is not space and time behind, but space and time immediately in front, that he may have to reckon with. As things are, a good without any reason. She-I felt sure cars. There's always a new model many drivers, as they come to hear someone had left you without it. of it, will no doubt adopt Magistrate Hopewell's suggestion, and one may believe that he has thus prevented a good many mishaps that might otherwise have occurred.-Christian Sci-

Doctor Finds Smoking Relief for Seasickness

London.-Tobacco smoking is the latest remedy for seasickness recommended by travelers. Gordon D. Knox, writing in "The British Medical Journal," claims to have made the great discovery by accident.

He said that he had happened to light a pipe after a slight feeling of nausea and the illness disappeared. He urged a friend to try the same remedy, which operated this time with

MEDICINE FOR

Mothers Endorse Lydia E. Pinkham's Vegetable Compound

Sydney, N. S.—"My seventeen year old daughter took Lydia E. Pinkham's Vegetable Compound for weakness and pains. She could not go about much with the other girls as she was not strong enough. We got six bottles and it did her a great turn. She is working out now in a store and walks three miles every morning and back in the evening."—Mrs. Mary Vance, 44 Lingan Road, Sydney, N. S.

Pinewood, Ont.—"I constantly had pains in my back and side and spent two days in bed every month. I have taken three boxes of Lydia E. Pinks ham's Vegetable Compound Tableta They have done me good and I always have them in the house. I have recommended your good medicine to several friends and have given it to my 17 year-old girl."—Mrs. Alfred Our-LETTE, Pinewood, Ontario.
