Was adopted as follows:
We have examined carefully the pay lists and accounts submitted by the superintendent and recommended that they be paid.

The concrete floor on the Dennis bridge, Road 11, is completed and will be ready for traffic July 20th.

Would recommend that the superintendent be authorized to pile the fir park, taken from Dennis bridge, in machinery shed, Hagersville.

Would recommend that permission be given Martin Bros., Selkirk, to install two additional gasoline pumps, providing they comply with the regulations of the Dept. of Highways and assume all liability.

All work is progressing favorably and expenditure to July 1st is approximately \$36,000.

F. W. Ramsey, Chairman.

OLD AGE PENSIONS

Continued from Page 5

(a) Certificate of birth.
(b) Certificate of baptism.
(c) Entries in a family Bible or other genealogical record or memorandum of the family of the pensioner.
(d) The returns of any census taken more than thirty years before the date of the application for such pension.
(e) A statutory declaration setting forth that none of the certificates above referred to in this regulation are obtainable, and a further statutory declaration as to the age of the pensioner by any person who has knowledge of the fact.

(2) The pension authority, however, shall not be bound to accept evidence mentioned in this clause, and may accept other evidence not herein mentioned.

AMOUNT OF PENSION.

Where the applicant has an income of \$365 a year or more, no pension can be granted. The maximum pension of \$240 a year is to be reduced when the pensioner has an income in excess of \$125 a year, so that the pensioner's income and the amount of the pension together will not exceed \$365 a year. For example, if the pensioner has an income of \$200 a year the pension will be \$165.

Where the applicant has not resided in Ontario during the whole of the past 20 years, but has resided in one or more other Provinces during that period he will be entitled to receive the full amount of the pension in Ontario provided the other province or provinces in which he has resided are under the Dominion Old Age Pensions Act. At present these provinces are Alberta, British Columbia, Manitoba and Saskatchewan and also the Yukon Territory.

Where during part of the 20 years the applicant has resided in a province in which the act is not in force he will only be entitled to be paid in Ontario a proportion of \$20 per month for each year in which he has resided in such other Province. Where a pensioner transfers his residence some place out of Canada, the pension ceases. It might be well to conclude with a few "don'ts" for applicants:
Do not apply for pension application forms until you have proof of age as set out in this article.
Do not neglect to answer every question on the application form, either "yes" or "no" or "not applicable." Questions unanswered nullify the form.
Do not write illegibly.
Do not neglect to swear as to the truth of your application.
All applications must be in handwriting.
