hospitate from the smelter at frail, B.C., will be conducted in 29 by the Alberta Department of sriculture in conjunction with the ilnion Experimental Farms and C. P. R. experimental farms. An indant quantity of this fertilizer will be available to mee demands.

Upwards of four millions of dolars will be expended this season in effecting alterations, im nts, and extensions to the Pallis ter Hotel at Galgary, Alberta, and the Empress Hotel at Victoria, Britan Columbia, E. W. Beatty, chairman and president of the Canadian Pacific Railway has just announced. Four additional floors will be added to the former and an entirely new wing will be extended from the latter, bringing these two famous hosteleries even more up to

A Negro preacher walked into the office of a Southern newspaper "Misto Edito', they is forty-three of my congregation which subscribe fo' yo' paper. Do that entitle me to have a chu'ch notice in yo' Salday issue?" "Sit down and write," said the editor. "I thank you." And this is the notice the minister wrote: "Mount Memorial Baptist Church, the Rev. John Walker, pastor. Preaching morning and evening. In the promulgation of the gospel, three books are necessary: The Bible, the hymn book, and the pocketbook. Come to-morrow and bring all

Twenty head of holstein cattle from Alberta pure bred hords have errived at Vancouver over Canadian Pacific Railway lines for shipment to Japan. These cattle were collected for a Japanese buyer by deputy minister of agriculture Craig. Quite a few such shipments have passed through this port recently. The purchase of the stock for Japan was made through the Alberta goverament and the eattle were selected from various herds in the province, Several of the animals or their immediate encestors have records of 20 and postude of milk per year and all of them are from high croducing dams

A monster black bear weighing over 400 pounds that stalked upright through the woods seeking what or whom it might devour and which had no forepaws, has just been - trapped in New Brunswick, according to Dave Ogilvy, wellknown guide and outfitter. The beast used to rifle all the garbage dumps and refuse heaps in the the line of the C. P. R. and was caught by means of a trap hidden under dead leaves and some old paint tine. Examination of the body showed that its forefeet were crippled, either by deformity at birth or by an accident, and that it must have walked about on its hind feet. Only tracks of the rear paws had been found, and considerable mystery existed as to the maurader. Seymour Traffon and Jock Ogilvy caught the bear, whose skin measured over seven feet in length
