A fast twenty-foot quarter mile race track built up and surfaced like a good tennis court will be ready for the 40th annual Dominion track and field championships to be held at Banff, September 2 next. The infield has been specially prepared and resown and the grand stand enlarged to accommodate four hundred people. The meet in the fall will be the first time the Dominion championships have been held in Alberta since 1922. The Highland Gathering and Scottish Music Festival held every year at Banff, will precede and coincide with the championship meet.

Fourteen hundred Bibles bound in linen with red edges, piled across the front of the stage in the spacious concert room of the Royal York Hotel, Toronto, was the sight that greeted a congregation of over 3,000 people who crowded the big hall of the hotel at a Bible dedication service recently held there. They were for placement in every room of the hotel by the Gideon Association, whose Canadian president, C. W. Stewart, and international president, Samuel Fulton, of Milwaukee, were both present at the function.

Record crowds attended the Brandon Exhibition held early in July, and, according to official statements, receipts at the main gate were fifty per cent. greater than last year, while those at the grand stand were 300 per cent. greater. The hotel, which was on the European plan, the inmates providing their own meals, was fixed up in an old house on the waterfront with cooking houses, beds, five places, stoves, thirty pounds of coffee and everything but a telephone and a bath.
