> The Periodic Health Examination GEO. L. MILLER. Secretary, which means that regularly, once a year, the individual goes to his do:tor for a complete examination, provides the most practical means of which we know to detect these early danger signals. Periodic Health Examination brings medical skill to act wien it has the most to offer. Early treatment is the greatest advantage that curative medicine has to offer. because early treatment will mean, in most cases, cure, or at least no further damage. If one relies on his own skill to decide as to the need for medical care, this may mean, in many cases, advanced disease with practicalle no hope of cure, and a life-long disability.

The periodical health examination should be made by the family physi-

In Building Your Home it Costs No More to Stop Fire

By specifying Gyproc Wallboard you assure walls and ceilings that are efficient fire barriersvet the cost is no more, and often less than with materials that give no fire protection whatever.

W. J. Bailey L. Hoover

Jarvis, Ont. Selkirk, Ont.

ODERN BUILDING for permanence, low-upkeep and appearance sounds the death-knell of wooden roofs. The dangers of fire to the building itself, to other buildings and to human life is rapidly being banished by metal roofs of high quality.

RE-ROOF WITH RIB ROLL

The appearance of this roofing alone has sold thousands. Whenever a roof of this material is laid in any district, it immediately secures a preference, and others who are roofing any kind of building, whether it be barn, house, garage, shed or warehouse insist on Rib Roll. CRIMCH STANGAR It is made to famous "Council Standard" specifications.

EASY TO LAY ON NEW ROOFS OR OVER OLD ROOFS

The cost of laying Rib Roll is lower than that of nearly all other types of roofing. Any man who is handy with a hammer can put it on. Its handsome appearance adds many dollars to the value of your property. Send ridge and rafter measurements of roof

or roofs in question, for free estimate of cost. PRESTON LED-HED NAILS
