

Back to School!

September's in the offing with its reminders of school days and school necessities. Time for mothers to consider school clothes, the boots and shoes they'll need, new caps and sweaters, and all those things which mothers, as well as sons and daughters, are interested in for school days.

LOCAL AND GENERAL

(Continued from Page 1)

It takes the old-timers to put on over the young onions.

Dr. Leatherdale, Reg. Leatherdale and Clifford Leatherdale and wife left on Wednesday for a few weeks trip to Winnipeg.

School opened on Tuesday with the old staff with the exception of Mr. MacDonald of Listowel, who is the new principal.

Dr. Harold Davidson, after spending his vacation with his parents here, left to resume his practice at Niagara Falls on Wednesday.

Mrs. Leatherdale and Loseen have returned from their visit in Ohio. Dr. Leatherdale and James Mitchell accompanied them home.

Dr. Bruce Eaid, wife and children of London, and Mrs. Chas. Eaid of Simcoe, spent Saturday afternoon with Mrs. R. Rodgers.

Mr. and Mrs. Chas. Ineson and the Misses Falls, of Toronto, spent the week-end with Mr. and Mrs. Wm. Falls and other relatives here.

Mr. and Mrs. Harry Belbelk and daughter Mildred, spent Sunday and Monday with relatives and friends in Otterville and St. Thomas.

Miss Pearl Belbeck left last week for a visit to her uncle and aunt, Mr. and Mrs. Herbert W. Roberts and other relatives in Toronto.

Mr. and Mrs. Hinchcliffe, after spending their holidays with the latter's sister, Mrs. Porter, have returned to their home in Detroit.

Mr. and Mrs. A. Laidman of Hamilton, visited the latter's parents, Mr. and Mrs. James Mitchell, and other relatives during the week-end.

Mr. and Mrs. Ben. Johnson, accompanied by Mr. and Mrs. H. W. Roberts and Miss H. A. Middleton, spent Sunday in Simcoe and Port Dover.

The September meeting of the Jarvis Women's Institute will be held at the home of Mrs. Chas. Montague on Wednesday, Sept. 11th, at 2:30 p.m.

Miss E. J. Smith of Niagara Falls, who had been the guest of Mr. and Mrs. James Davidson for the past fortnight, returned home on Wednesday.

Mr. and Mrs. Frank Newman and daughter, of Brantford, visited with his mother, brother Fred and other relatives here during the past few days.

Miss Ruth Tory of Ottawa, Mr. and Mrs. Geo. Saunders, Mr. E. Tory and Miss Helen McKenzie of Toronto, spent the holidays with Mr. and Mrs. J. J. McKenzie.

Mr. and Mrs. J. S. Burwash were summoned to Williamsport, Pa., yesterday morning, where their son Harold was forced to undergo an operation for acute appendicitis. We are pleased to report that the operation proved successful.

Miss Grace Walter of Toronto and her sister, Mrs. W. Biggar and two children of Mount Hope, enjoyed the Labor Day recess with their parents, Mr. and Mrs. R. A. Walter.

A very successful and enjoyable picnic of the Walter-Davidson families was held at Hickory Beach Grove, near Nanticoke, on Monday, at which close unto fifty happy souls made merry all day.

Mr. and Mrs. Fred Jones, the latter's sister, Mrs. Hewes, and other relatives of Memphis, Tenn., visited the former's uncle and aunt, Mr. and Mrs. James Jones, during the week-end, on their way to view the Niagara Falls.

Mr. and Mrs. H. Jackson, of Toronto, visited with relatives in Nanticoke on Labor Day. They were the guests of Mr. and Mrs. W. Hoebel in the evening, returning to Toronto on Tuesday morning. They were accompanied by Mrs. Hoebel and Norman.

Mr. Campbell of Lockport, N. Y., was in town on Wednesday, renewing old acquaintances. Mr. Campbell served as apprentice to the late Ben Millenbacher about 40 years ago, and this is his first visit to Jarvis since that time. Although he noted quite a few changes, he still recognized some of the old landmarks.

Mr. Bert Smitherman and his father, Rev. Mr. Smitherman, a former Jarvis minister, were the guests of Mr. and Mrs. Charles Walter over Labor Day and took in the Walter-Davidson picnic at Nanticoke that afternoon. Miss Mary Smitherman,

who had been the guest of Miss Clara Walter for some time returned home with her father and brother.

Mr. and Mrs. Gordon Miller, who were accompanied by Mrs. Stallwood and children, met with a motor accident on Monday evening near Thamesville. Mr. and Mrs. Miller received several bruises and cuts, while little Patricia Stallwood, we understand, suffered a fractured hip bone. Both cars were badly damaged.

Christianity is alive yet. The W. M. S. of Knox Presbyterian church shipped a bale to Hamilton for further distribution, valued at \$150.00. Mrs. Evans, Mrs. T. McNeill, Miss Fanna, Mrs. McLeod and Mrs. Butcher packed the bale on Tuesday at the latter's home. The W. M. S. wish to thank every donator and asks them to continue with them in this good work.

Mr. and Mrs. Herbert W. Roberts of Toronto, are spending the first part of their three weeks' vacation with relatives and friends in town and vicinity. They were accompanied up from Toronto by Mr. and Mrs. Charles Littler of that city and Miss Helen Alberta Middleton of Niagara Falls, who spent the week-end with friends here. Owing to the recent death of her 90-year-old father and the uncertain condition of her equally aged mother, Mr. and Mrs. Roberts have abandoned their plans for a trip to British Columbia and California this fall.

MERCHANTS TO HAVE DISPLAYS AT FLOWER SHOW

Port Dover's annual flower show is to be held on Thursday and Friday, September 12th and 13th and the committees are working hard in an endeavour to get the prize lists in the hands of the exhibitors during the early part of next week. The task of securing all the special awards is no small item, and the list is filling up fast. Despite the continued drought the committee feel that there will be plenty of flowers for the big show, and there is always keen competition in the classes for home baking, fruit, etc. It is expected that the prize list will be ready for distribution Tuesday afternoon and will be available from W. B. Thompson president, or John C. King, secretary.

A new departure this year will be demonstrations and displays sponsored by local merchants. There will also be special exhibits by growers who specialize in particular lines as well as the ever interesting and instructive exhibit from the Forestry station.

The horticultural show is by means for large growers only, but is open to one and all to participate and thus maintain interest in the work of the Port Dover and Woodhouse Horticultural Society.
