CREAMERY MONOXIDE

Mr. A. R. Todd, of Toronto, paid a visit to the plant on Saturday. The Manager and family spent the week-end in Windsor.

Newton's despondency is due to the fact that he is suffering from heart pains.

Doe says ducks were plentiful out west, but drinks damned scarce.

The Old Gentleman and Fletcher have been in the painting department this week.

It is reported that Stoney and Fitz are negotiating on the purchase of the Jordan Wineries. We do not know who their spiritual advisers are, but anything that can show liquid assets should be OK.

Owing to the extreme good nature of the office staff nothing will be said about the many melon seeds that were found scattered over the office floor on Monday morning.

Stoney is considering a vaudeville tour of North America. It may be a surprise to some of the readers to learn that he is an accomplished clog dancer.

Mr. Cameron, an old friend of the Manager, paid us a visit last week.

George has been on the sick list this week.

Bob is managing Stoney's department this week while Stoney is on the hummer — we mean the churn.

The boys are all set for the big fair on Friday. Pete has offered a prize to the party who locates the "Teacher."

The Barber says if you can find anything on his hip it will be Minard's liniment.

Muriel is expecting company on Friday night. We hope she will prepare some of her famous chocolate pie for him.

3 (3) Upon the coming into force of this Act and within one year thereafter, any person having a claim against any land, which claim has been in existence for forty years or more prior to the coming into force of this Act, but in respect to which claim no notice of its existence has been given, acknowledged, or specifically referred to or contained in an instrument registered against such land within forty years prior to the coming into force of this Act, or any person on his behalf may register in the proper registry office a notice in which shall be set forth the claimant's full name and address and a description of such claim, verified by the affidavit of the person registering such notice.

3 (4) The registration of a notice as provided in sub-sections 3, 4 and 5 shall not in any way validate a claim which has otherwise expired.

THEREFORE TAKE NOTICE that any person having a claim against any land as above set forth must register notice thereof in the proper registry office before June 1st, 1929. If this is not done, except under certain conditions, then any land which is subject to such claim so registered prior to June 1st, 1929, or any claim existing prior to June 1st, 1929, of which no notice has been registered, shall be absolutely freed and released therefrom.
