It is expected Fitz, will be up for assault and battery; this is not an uncommon occurrence for him; he is always picking on some one smaller than himself.

Stoney joined the coal heavers last week. He said he hated to leave the butter table with Goliath in charge however Goliath did just fine for an inexperienced man.

The manager has enforced a new rule—each employee must have at least eight hours sleep each night; this also applies to the office staff.

Thorne says gambling on hockey matches is a poor game for the looser.

Fletcher and Stoney certainly make a hefty team for the wagon.

Surely Newt is not going in the chicken business again, at any rate he seems to have extensive interest in Hagersville and vicinity.

The manager accidentally fell upstairs the other day, causing painful injuries to his side.

It is rumored the Hamilton Dairies will allow the office staff no more half holidays, if so it will certainly be hard catching up with their sleep.

Loots has taken a great liking to Limberger cheese, I wonder what smells about that.

High pressure salesmen have nothing on the manager when it comes to selling tickets for the Chautauqua.

Through these columns we wish to announce the Hamilton Dairies Hockey team as the winners of the town league, the games were all won through the non appearance of the other teams.

Stoney. Say Stew, I wonder how long I could live without any brains?

Stew. I don't know Stoney I suppose time will tell.

The employees of the Hamilton Dairies D. P. M. C. were entertained on Tuesday evening April 1st, at a banquet in the Royal Cannought Hamilton. Particulars will be published in next weeks issue.

1932 Grain Show Notes

Bolivia may be officially represented at the World's Grain Show in 1933. The Minister of Agriculture expressed his belief that arrangements may be made for the necessary expenses of a Bolivian delegation and for the sending of a national exhibit representing the products of that country.

The Commissioner of Agriculture of the State of Montana writes that there is much interest in the World's Grain Show contest most whole-heartedly and to begin the preparation of exhibits this season.

From Hunting, U. S. A., comes an encouraging letter. "I certainly appreciate your thoughtfulness in sending a copy of the Prize List of the World's Grain Show to be held at Regina in 1932," says the writer, "and congratulate you most heartily on the entire line-up of your entry list. The size of the prizes make those here in the States look pretty small."

We are receiving this Spring a large number of demands for elite seed of different crop varieties. Nearly all the farmers asking for this material intend exhibiting at the World's Grain Show in 1932. —Prof. W. J. Squirrell, Ontario Agricultural College, Guelph.

Record Ramblings

Where did the Hamilton Dairies Shiek disappear to on Monday night? "Chicken Supper" Eh? Nuf Sed.

The Minister called at a certain home in the village last Sunday afternoon and little Billy answered the door bell.... "Pa ain't home. He went over to the Creamery. The Minister's brow darkened and Billy hastened to explain; "Oh, he ain't going to make butter. Not on Sunday. He just went over for a few high-alls and a little stud poker."

The old saying—Opportunity knocks at your door but once carries more truth than people realise. It is hoped that the people of Jarvis will recognize their great Opportunity to keep a newspaper in town. Now or Never. You Boost the Record and it will smile back at you with full value for your efforts.

The Record office is over crowded these days with enthusiastic callers, wanting to know if they were really going to get the Jarvis Record in their homes again. You surely are, but you must not forget the essential part, your subscriptions in advance, then you will not need to doubt the arrival of the Record in your home. At your Service with the best we can give.

One of our dashing spinsters in the village was heard offering the following prayer the other evening. "Dear Lord", I don't ask anything for myself, just give mother a son-in-law
