## Champions Entertained

The Port Dover girls winners of the I. O. H. A. championship, are being entertained this Thursday evening by the Port Dover business men to a Banquet in the Prince George Hotel, Toronto, thanks to the shooting carnival at the Variety Arena. Port Dover girls are very proud of the favorable showing made by their girls. However the Jarvis girls should be justly proud to state that Miss Helen Marshall was a member of that line-up.

The girls have been out for the championship for the past two or three years, and now that they have obtained it, it is hoped they will be able to retain it for a good many seasons to come.
