OBITUARY

The Late John Phillips.

Mr. John Phillips passed to his rest on Saturday last after a lingering illness of nearly a year. He had been a resident of this community the greater part of his life, and was a faithful member and regular attendant of our church.

The funeral service was held on Monday afternoon and was largely attended by relatives and friends.

The service was in charge of his pastor, Rev. A. S. Trueblood, assisted by Rev. P. E. Deeth, of Jarvis. Rev. Trueblood spoke very highly of the "brilliant fortitude which the deceased had shown during the many agonizing hours of pain which he had endured during the last several weeks. His faith and trust in his Lord and Saviour had remained unshaken through it all.

Members of the Orange Lodge of which the deceased had long been a member, were present and conducted a short service at the grave.

Our most sincere sympathy is extended to the bereaved wife and family who have done everything possible to alleviate the sufferer's pain.

The August meeting of the Jarvis W. I. will take the form of a picnic to be held at Mrs. J. Parsons on Aug. 14.

MAIN STREET APPLE SAUCE

A BROKEN WINDOW GLASS
About twelve months ago, There was heard along Main Street, The crashing of broken glass And the patter of running feet.

Now I will tell you the story, Of how this came to be, 'Twas caused by a flying flat-iron, Meant for the dog you see.

Bill was angry at his dog, And that was how he made a pass. By throwing a heavy flat-iron, That smashed a window glass.

Now just the other day, Bill Jr., his eldest son, Broke the very same window, But not the way his Dad had done.

Bill Jr. used a lead pipe, Hitting the window an awful crash. Hey! Hey! there cried Tinsmith Bill What caused that terrible smash.

When he saw what had happened, He had not one word to say, Because he recalled what he did, Just one year ago that day.

The son is like his Dad, And the Dad is like his son, Because neither can blame the other For the similar deed that was done.

A BASEBALL HAS BEEN
Somebody started the story, That the Editor couldn't play ball, That his fingers were all thumbs, And that he cannot catch at all.

So to prove that this is false, He has displayed for show, In the Record office window, True evidence; I will have you know.

This evidence is some pictures, Of his old by-gone days, When he speared some real hot ones And made some grand-stand plays.

HE SMOKED ONCE TOO OFTEN.

Smoking round a gasoline filling station is one of the commonest of habits. But it is a habit that the customer will soon break if he has the experience of a motorist who called for gas at a station in Los Angeles. By lighting a cigarette near the gasoline tank, he caused an explosion that damaged the station to the extent of \$11,000. In spite of a strong defence that the proprietor had no grounds for action, the Superior Court held the defendant customer responsible.

CHILDREN ALMOST HATE

CROSS, NERVOUS MOTHER

"My children almost hated me, I was so cross. Thanks to Vinol, my nervousness is all gone and we are happy again."—Mrs. T. Johnstone.

For thirty years doctors have prescribed Vinol because it contains important mineral elements of iron, calcium and cod liver peptone. The very FIRST bottle brings sound sleep and a BIG appetite. Nervous, worn-out people are surprised how QUICK Vinol gives new life and pep! Tastes delicious. J. M. Schreiber, Jarvis.
