Work and Lower
Living Costs for All—

EMPIRE TRADE A VITAL NEED

In the past ten years new tariff barriers have been created by many countries, restricting the outlets for Canadian products.
Such restrictions naturally lead to reduced buying power on the part of the people, in turn affecting manufacturers and producers in every line.
This problem has demanded the highest qualities of statesmanship for its solution and, the trend having been early recognized by the King Administration, a non-partisan and highly competent Tariff Board was appointed. The result of the tireless efforts of this Board is the King-Dunning Budget.

KEEPING DOWN LIVING COSTS

King Budgets during the past nine years have kept living costs down. Tariffs have been lowered on many commodities and implements of production, reducing living costs, and costs of production while at the same time helping Canada to build up the greatest export trade per capita, in the world, in manufactured and semi-manufactured goods.

TAXES REDUCED

Income Tax—reduced over 35% since 1924.
Sales Tax—Reduced from 6% to 1%.
Postal Rates—Reduced from 3 cents to 2 cents; penny postage re-established.
Cheque Tax—Reduced from 2 cents on every \$50.00 to 2 cents over \$10.00.
Receipt Tax—Abolished.
Transportation Tax—Abolished.
Insurance Tax—Abolished.
Telegraph Tax—Abolished.
Reduction in five years estimated to amount to \$116,000,000.

TARIFF REDUCTIONS

1922—Sugar, agricultural implements, textiles, boots and shoes.
1923—British preferential tariff reduced by 10 percent, where goods imported by Canadian port.
1924—Instruments of production used in agriculture, mining, forestry and fisheries.
1925—Well-drilling machinery and fishery engines.
1926—Sugar, automobiles, tin-plate, etc.
1928—Implements of production in mining and fishing industries; fertilizers on free list.
1930—Tea, porcelain, china, vegetables, fruits, free under British preference.
Reduction in duties means reduction in prices.

CREAMERY MONOXIDE

Muriel seemed to be enjoying the Garden Party at Selkirk, no wonder, see who she was with.

Lardy surprised the Hagersville people on their field day when he claimed he was an Athletic (not athlete) Oh! Oh! Onia knows.

Where did Newt have his string-bean dinner on Sunday?

Why didn't Newt (the new Fireman) go in bathing with the rest of the Bathing Beauties on Sunday near Pt. Maitland. Oh! for the gay old Nineties.

Orivals saving a little money now since his wife has stopped wearing hose.

Who gave Newt the inspiration to buy a Green Shirt, of course we know Maxine likes Green.

Lardy must be lonely this week, he mustn't step out.

By the looks of Newt he sure had a strenuous week-end.

We were afraid Orvil was putting it over on Nellie when he mentioned how he liked to play around with "Tippie" but Wednesday night we found out that "Tippie" was a dog.

Jim says if Fitz doesn't quit wiping his feet on his shirt he is going to charge his laundry bill up to him.

George stayed in the water so long on Sunday that he was water-logged on Monday.

George says there is nothing nicer than a cool breeze off the lake with a few refreshments.

The boss thought he had forgot something the other day and almost broke his hand when he hit the desk.

Jim says he will have to keep steam up himself after this as the work is too strenuous for Fitz.

If the office staff don't get more room to work in pretty soon, they are going on shifts, two at a time.

If Pepper isn't more prompt with her appointments she is going to find herself in wrong.

Owing to the fact Muriel is going to Toronto next week we are led to believe that a certain party will be home from his northern trip.

1st. Peathresher: "Hey young man knock at the door before you go in."
Young man enters without knocking.
2nd peathresher: "That screen door won't keep that 'Miller' out."

Marriages

TROUSDALE — KOHLER

An interesting wedding took place very quietly in the brides home at seven o'clock Tuesday morning, July 22nd, when Barbara Kohler, North Cayuga, was united in marriage to Homer Trousdale, Walpole. Rev. J. D. Fenner conducted the ceremony. After a dainty Wedding Breakfast the bridal couple left by motor for Buffalo, and thence via the Twentieth Century Limited for New York, where they will embark on the Mail Liner 'Europa' for a two months tour of the Old Land. Upon their return Mr. and Mrs. Trousdale will reside in Hamilton.

Sandusk W. I.

Sandusk W. I. held their annual July picnic in the Sandusk school grounds. Over one hundred people enjoyed the bounteous repast. The afternoon was spent in games and other amusements.

THE GAS SCARE MAN
IN DEAD OF NIGHT

Adlerika relieves stomach gas in the stomach. Acts on BOTH upper and lower bowel, removing old poisonous waste you never knew was here. Don't try with medicine which cleans only PART of bowels, but let Adlerika give stomach and bowels a REAL cleaning and get rid of all gas! J. M. Schreiber, Jarvis
