Old Timer Visits Jarvis

Mr. Charley Nelson, of Calgary Alta., a former resident of Jarvis, was a visitor in town last week.

Mr. Nelson surely enjoyed the surprised look on the face of each individual old timer, as he greeted him. Twenty-seven years ago he left Jarvis, just a slender lad, but many changes have taken place in his physical appearance since then. The Western atmosphere has surely placed its stamp of good health and prosperity upon him.

Mr. Nelson came to Toronto with the Mystic Shriners of Calgary and was a member of the Cow Boys Band that took part in Shrine Parade at Toronto. Old timers of Jarvis will remember that Mr. Nelson played in the Jarvis Brass Band before he moved away. We all extend welcome greetings to Mr. Nelson and hope his visit will be a very pleasant one while here.

Charles Brock

Mr. and Mrs. Robert Brock received word from Montreal on Monday last, conveying the sad news of the death, of their son Charles, who had passed away early that morning, after a few weeks illness caused by a clot on the brain.

Charles who was only 22 years of age was a very bright and good living boy, and was making great progress in his studies at college in Montreal. His future outlook on life was a very bright one. His passing has surely caused a great depression of sadness in this vicinity. The sincere sympathy of this community is extended to those who are left to mourn the loss of a loving son and brother. STENOTYPE CONFERENCE, LONDON, ATTENDED BY ROBINSON PRINCIPALS

Mr. O. U. Robinson of Waterford, Mr. J. H. Bowden of Simcoe, and Mr. A. P. Gibbon of Welland, attended the Conference between Principals and Teachers on the teaching of Stenotypy, held in the Westervelt School, London, on Saturday last. This marvellous subject—machine shorthand—is to be taught in the Waterford and Welland Branches of the Robinson Schools this coming year. At present only four Canadian Schools out of over 200 are teaching Stenotypy, and sixteen more are beginning it in September, including the two Robinson Branches mentioned. Only young men and young women with Junior or Senior Matriculation can take it; consequently it is our purpose to select only the best students, those who desire to become speed artists; to enroll in that department. Get your name on our mailing list to receive Stenotypy literature. Apply to O. U. Robinson, Waterford, for information.

WALPOLE FARMER INJURED

On Monday afternoon, Amos Porter, a prominent farmer not far from Jarvis met with a very serious accident. He was very busy getting his hay hauled into the barn and while taking off a load, one of the sling chains gave way, and he fell backwards onto the driveway floor. He received very serious injuries in the fall. Both arms and his nose were broken and his face and body received severe bruises.

Dr. Leatherdale was called to the scene of the accident and immediately gave first aid. The Doctor then took Mr. Porter to Simcoe Hospital where we hope he will soon recover.

Webb Reunion

A very enjoyable day was spent at Lake View Lodge, Cheapside on Saturday, June 14th, when about 125 relatives gathered to celebrate the seventh annual reunion of the Webb families. There were twenty-six families represented from Guelph, St. Catharines, Georgetown, Hamilton, Port Hill, Cayuga, Hagersville, Hartford, Jarvis, Cheapside, Simcoe, Nanticoke and Port Dover. After a sumptuous dinner a short business meeting was held, William Webb was re-elected President and Mrs. V. Meade re-elected Sec-treas. It was decided that the re-union be held at Lake View Lodge the Second Saturday in June of the coming year. Mr. Sopher of Hamilton gave a short address and presented the President with a camp rocking chair as a token of appreciation of his services in the past years. The sports in the afternoon were enjoyed by all, and after partaking of a hearty supper the gathering was brought to a close with that old favorite, "Blest be the Tie that Binds."
