Free Flowing Fertilizers

Here are four big reasons why we recommend C. I. L. Mixed Fertilizers to you:

First: Dry, free flowing, they end that costly nuisance, drill-clogging! . . . Save labour!

Second: When you need C. I. L. Mixed Fertilizers -that's when you get them! Drive up and get them

Third: This prompt delivery service is less costly than the old-fashioned "order-and-wait" method . . . Saves you actual dollars and cents, as well as vain-
