### ANAFMIC CIRI

"She seems to be losing her looks." This remark is often heard about girls who were once noted for their sparkling eyes, their rosy cheeks and their vitality. The cause is not far to seek -they have become anaemic; that accounts for the pallor and the loss of charm. The anaemic girl, if she neglects her health, may be a sufferer all her life.

Take heed, you pale, anaemic girls. Plenty of fresh air, nourishing food and rest will help you, but what you need most is good blood. Those wretched headaches; that fickle appetite and those terrible heart palpitations can only be banished if the blood is rich, red and pure.

Good blood-the kind that brings good health, is created by Dr. Williams' Pink Pills. The whole mission of these Pills is to build rich, red, health-giving blood. The Pills are Williams' Medicine Co., Brockville,

If you don't take life as it comes it will be forced on you. A man feels flattered to be called smart but insulted to be called sharp. "I am writing to tell you of the great benefit I have received from Kruschen Salts. My friend, Mrs. H., had received so much benefit that she begged me to give Kruschen a trial, although at first I was doubtful, because I had tried so many things. At last, however, I tried some of her Kruschen, and feeling hopeful, I purchased a bottle, and I can honestly say that before I had finished the bottle my backache was gone. I have suffered for years kidney trouble and dreadful headaches, and now to be free from the pain altogether is wonderful."-(Mrs. C.)
