Board of Trade

The annual meeting of the Jarvis Board of Trade was held in the Temperance Hall, on Friday evening last with a very small attendance of members. It is regretable that this worthy organization does not meet with more general support from those who should be deeply interested in the welfare and advancement of not only the village, but the community as a whole. Many worth while ideas could be successfully advanced in the interests of progress and prosperity. Where individuals often fail, united effort becomes a success, and where one individual in a community is successful in his business, that success reflects to the credit of the whole. By united efforts, combined with a little push and normal interest in the progress of the Village, we can continue to improve the wonderful heritage which is ours, left to us by our worthy forefathers.

The campaign is on for a record membership in this organization for 1931. The fee is only one dollar, and the good that can and will be accomplished during the year will amply repay you for the small contribution and your assistance throughout the year.

The following officers will have charge for 1931; President, C. S. McCarter, Vice-President, J. S. Burwash, Sec-Treas., J. H. Brown. Council; A. S. Blight, P. Banks, W. Willis, D.C. Allen, F.W. Reichold, Les Marshall, J.M. Schrieber and W.J. Elliott.

Hand your membership fee to any of the above, and get in the "booster" line for 1931.

Announcement
by the
REO MOTOR CAR CO.
of **CANADA, LIMITED**

Effective today, Reo passenger cars, trucks and buses are again being produced in Canada.

Reo was the first manufacturer to produce motor vehicles in the Dominion on an extensive scale, the Reo Canadian charter dating back more than 22 years.

The establishment of production facilities in the former Dodge Brothers plant at Toronto is evidence of our appreciation for the generous and loyal patronage of the Canadian public.

It is our conviction that this progressive step will insure increased satisfaction in the ownership of Reo products.

He Knows It All.

He will not learn
A single thing—
He knows it all.
The best advice
That you can bring—
He knows it all.
He still pursues
His stubborn way,
Heedless of
What others say;
Going more
And more astray—
He knows it all.

Not a single hint
He'll take—
He knows it all.
No impression
Can you make—
He knows it all.
Try to show
He is wrong,
He will argue
Loud and long,
Self-conceit in him
Is strong—
He knows it all.

Speak of travel
Books, or scenes—
He knows it all.
Money, politics,
Or probs—
He knows it all.
Cogent reasons
You may bring,
To fixed habits
He will cling.
You cannot teach him
One darn thing—
HE KNOWS IT ALL

OBITUARY

GEORGE J. McKIE

Simcoe, March 30.—The funeral was held this afternoon of George Jackson McKie, one of Simcoe's foremost citizens and a former Warden of the Count of Norfolk, who died at his home Friday evening. A large number of friends gathered at the residence for the service which was conducted by Rev. C. K. Masters, rector of Trinity Anglican church. Interment was in the family plot, in Oakwood Cemetery. The pall-bearers were Messrs. B. T. Jackson, A. C. Burt, W. L. Innes, W. P. MacNay, F. M. Reid and H. J. Brook. Honorary bearers were Messrs. H. S. Falls, W. C. J. Ning, Leonard Brady, H. F. Cook, H. H. Groff and William Sutton.

HENRY ECKER

On Sunday March 2-th at his home in Niagara Falls, Henry Ecker passed away very suddenly from a heart attack.

Deceased was at one time a resident of the village of Jarvis, and was in the employ of the Grand Trunk Railway. He leaves to mourn his passing, his widow who was Annie Dellar, a daughter of the late David Dellar, and four children, two boys(twins) and two daughters, all of whom are grown up. The funeral was held from his late residence yesterday, a number of the relatives from Jarvis attending.

ALBERT NEWCOMBE

An old and respected resident of Port Dover, Albert Newcombe, died at the residence of his cousin, Mrs. Charles Goodman, Glanford Station. He was born in Brant County 86 years ago, and had spent the greater part of his life in and around Port Dover. Mr. Newcombe had been in poor health for about a year and on Wednesday took a sinking spell from which he never recovered. He was an adherent of the United church and a member of Erie lodge, No 142, A. F. & A. M., of Port Dover. The funeral was held on Monday afternoon at 3 o'clock, from the residence of Charles Goodman, Glanford, to Port Dover cemetery for interment.

Re-union of "Mad Fourth"

The annual reunion of the 4th Battalion, First Canadian Overseas Contingent, known throughout the Empire as the "Mad Fourth" will be held in the Hamilton Armouries, on Saturday, April 25th and Sunday April 26th, 1931.

On Saturday, the 25th, at 5.30 p.m the Battalion will fall in, in front of the Armouries, from where they wil parade to the Cenotaph, and place a wreath thereon, returning to the Armouries at 6.30 p.m. for the banquet. On Sunday morning, the Battalion will parade to church, headed by a band, and bearing their famous colors.

Many of the old Battalion have wandered far afield and have been lost to their old pals, and the officials in charge of this re-union are desirous that every surviving member of the old Battalion should be in attendance on this occasion.

The following statistics, relating to this Battalion, will no doubt be of interest, and shows what the 'Mad Fourth' meant in numbers during the war.

A total of 5563 men passed through the Battalion, consisting of, 302 officers, 5261 N.C.O.'s and men, of these 43 officers and 1098 N.C.O.'s and men were killed and 183 officers and 3249 N.C.O.'s and other ranks were wounded, making total casualties of 4573 out of a total of 5563. It is also to be recorded that this Battalion has one V.C., Segt. William Merrifield, seven D.S.O.'s and one Bar, 38 Military Crosses and 4 Bars, 48 D.C.M.'s and two Bars, 199 Military Medals and 11 Bars, 4 Meritorious Medals, and 8 Croix-de-Guerre, and six other foreign decorations. It is also worthy of note, that not one unwounded member fell into the hands of the enemy, and that only six wounded were captured throughout the whole war, but of stil greater credit is the fact that this unit never lost a position.

Any member of this fine old fighting unit, who may chance to read this notice, bear in mind the dates and make an effort to join with your old comrades in commemorating four years of valiant service to the Empire.

Erie-Dover Ferry Line To Start

(Port Dover Maple Leaf)

It's Springtime, and one of the surest signs insofar as Port Dover is concerned is the revival of the talk about dredging out the ferry slip. With the return to town last week of Mr. Carl S. Ryerse the ferry schedule for 1931 was again the cheif topic of conversation amongst the storekespers. Mr. Ryerse had been spending a few days with Capt Nicholson, and plans for 1931 were given the once-over. The Nicholson Erie-Dover Ferry will operate under practically the same schedule as last season, from June to September Captain Nicholson stated, however, that before any boat could get into the harbor here it would be necessary to dredge out the ferry slip, which had "filled" during the fall and winter storms. He hoped that the work would be undertaken at an early date, as the ferry season was short at its best, and the Company would like to know that they have the cooperation of the authorities on this side of the line in keeping the service up to the high standard already set. Needless to say, Mr. Ryerse immediately passed the word on and no doubt work will be completed before the date set for opening.

Motor Accident On No. 6 Highway

Some time Saturday evening an auto accident which might have had more serious results occured on No. 6 Highway about three miles north of Jarvis, when two cars met in a head-on collision. The cars were driven by Milton Henning of Nanticoke, and Harvey Ross of Hamilton. None of the occupants were seriously hurt, but wa understand the cars were sadly wrecked.

REDUCED PRICES

As this is the time of year that most of our subscriptions are due, I have decided that until further notice, the subscription price of the 'JARVIS RECORD' for all renewals and new subscribers will be $1.50 in Canada, and $2.00 to United States subscribers.

Look over your label, and, if in arrears, we would appreciate the cash. Send in your news items. Report your church meetings. Use our "Want" column. Advertise your business. Notify me of births, marriages and deaths. In short, use this paper for anything you need, want or require, and the results will be manifest from day to day.

Give me a trial subscription and if the paper don't suit you give me — — — — .

Choir Cantata

On Thursday evening, April 2nd, the choir of Wesley United Church presented the sacred cantata, 'Christ Victorious' by R. E. Note, to a large audience. Rev. J. P. E. Death conducted the devotional exercises and gave the story of the events of Passion week.

The solos and duett work of the cantata taken by the Misses Alice Simpson, Gladys Stallwood, Mrs. Allen Doughty, Messrs. E. Hoover, E. Nablo, T. Adsett, C. Davidson and N. Bothwell, were much appreciated by all.

The chorus work of the choir was well rendered. They are to be congratulated on their evenings programme.

CANADA ON PARADE

Distinctly Canadian in character and with a deep-rooted appeal for Canadians throughout the Dominion — a new Dominion wide radio program will go on the air beginning April 10th, under the title of "Canada on Parade". This new series of broadcasts, which will be heard over 25 stations each Friday night is being sponsored by General Motors of Canada, Limited.

Advance information on the program indicates that it will attempt to achieve what the title infers—to place Canada literally on parade in an educational, musical and histrionic way. The best Canadian orchestra leaders, the outstanding dramatic directors and an impressive list of well-known public men, giving brief inspirational addresses, will seek to strike a truly national note in this weekly feature. Guest artists and speakers from Great Britain and other overseas countries will also contribute to the programs week by week.

Names of a few of the individual artists include the popular Frank Oldfield, Dorothy Allen Park, Lawrence Defoe and Enid Gray. The well-known Bytown Troubadours, the Canadian Quartette and the all-Canadian singers will also take part in many of the programs.

Organization work in the building of such a diversified radio feature has been carried on in Toronto and Montreal for several months and the public awaits with keen interest the first of a series of these Canadian radio offerings on April 10th.

Charlie Taylor Kicked by Horse

An unfortunate accident happened at the stock yards on Monday last when Charlie Taylor, son of Thos. Taylor, was kicked by a horse and seriously injured. He was taken to St. Joseph's Hospital by Dr. Jones, where it was learned that he had sufferel serious internal injuries. Hope is entertained for his ultimate recovery, and at time of writing he was doing as well as could be expected.

True Canadians Held Novel Play

"I is" — "Its!" It is Aunty! This is the answer given by aunty herself as she steps forth from the bedroom. Harvey Lindsay playing the role of Pierpont Tuckerman Shaw, under the stress of circumstances dresses as Aunty in order to save himself from arrest and to save his newly obligated acquaintance, Harry Toogood, from being placed in an embarrassing position by the questioning of his wife, Ethel Mrs. Joyner (Mrs. George Joyner) a friend of the Toogoods, arrives unexpectedly and adds to the confusion Mrs. Joyner, a keen suffragette, falls an easy victim to the confidence tricks of Shaw, in the guise of Aunty. Miss Cora Henning is splendid in the role of Mrs. Joyner. Miss Gladys Lindsay and Milton Henning both give very capable performances as Ethel and Harry Toogood.

"Aunty", a 40 minute one act play acted by the above cast was the feature of one of the best programmes ever rendered by the Nanticoke True Canadian Club.

The entertainment was held at Rainham Centre, Thursday evening, March 25th, when 35 young people from Nanticoke were the guests of the Rainham Centre Literary. About 100 were present from Rainham Centre.

The meeting was opened with the "Maple Leaf", and community singing, and the following numbers were given:—

The Club Paper, read by Mrs. Russell Hare, was a real 'Eye Opener' It was laughable, educational and even discomforting. A paper read by Norman Newsham proved very humorous.

Elgin, Hubert and Warren Fields, better known locally as 'The Fields Boys' gave two splendid numbers. The trio play two mouth organs and a guitar.

Miss Gladys Lindsay and Ernest Henley sang solos which were favorably received, as wer the piano instrumental by Miss Cora Herning and the step dancing by Ernest Pereira.

Two numbers which received very hearty and well merited applause were an old fashioned skit by Mr. and Mrs. Russell Hare and a mock quartette, Misses Lillian Doughty and Jean Lindsay, and Messers Roy Fleming and Ernest Henley, with elaborate costumes, comic antics and ridiceless melancholy held sway in front of the curtain, while Mr. and Mrs Russell Hare Harvey and Gladys Lindsay produced the harmony behin the curtain.

Carroll Lindsay acted as chairman and Mrs. Hartley Mattice was a very able accompanist to the song numbers.

A bounteous luncheon was served by the girl members of the Literary and an hour was spent in dancing.

The next meeting wil be held on Thursday evening, April 9th, at the home of Mr. and Mrs. Hartley Mattice. Mr. Chester Woderick is to give a lecture on 'Home Beautification".

Special Meeting

A meeting of the Officers and Directors of the Jarvis Agricultural Society will be held in the office of the Secretary on Saturday evening April 11th, at the hour of 7.30. A full attendance of the Directors is requested. All farmers intending to enter the Field Crop Competition for 1931, in either Oats or Barley, will kindly notify the Secretary as early as possible.

Geo. L. Miller, Secretary.

Plant May Re-open

Ottawa—Officials of the John Deere Company, farm implement manufacturers of the United States have consulted with Premier R. B. Bennett and signified their intention of re-opening the Deere plant at Welland, as an outcome of the upward revision of the tariff last September. This is another instance where Canadian workmen will be employed to manufacture Canadian farm machinery.
