

### For the Woman Reader

#### Painting Your House

Remember this in buying rugs: Rug makes a room large and more quiet and dignified. Small, brightly colored rugs do not seem to belong to the room. They appear like so many floating islands.

#### Early Bouquets

To provide a nice centerpiece for the dining table, do not have to have an expensive bouquet for the dining table. Bring in a few sprigs from the shrubs in the yard and put them in water in a warm room and they will open up early and sometimes blossom way ahead of time.

#### Housewife's Version

Blessings on thee, little can. Shining on thee, little can. With thy pickled fruits and spice. With thy wrappings, red and white. Then dot make a cherry sight. With the sunshin on thy face. Sure thou hast an important place. From an hour, Miss, here, can. Faithful in, on these I plan.

#### Spain Discontinues

A country without an automobile is in the distance that Spain holds now that the latest act of manufacture cars there has died.

#### Car Manufacture

This is the distinction that Spain holds now that the latest act of manufacture cars there has died.

#### To Wash Wool Blankets

Woolen blankets should be washed before being put in the dryer. In order to keep the blankets soft and fluffy and unshrunk, one should wash them in lukewarm water.

#### Foot Comfort

As warm weather approaches, one is likely to suffer more or less from the feet. Wash them at night and rub them with castor oil to take out the burn and soreness.

#### Vines

A suitable drapery is a graceful vine. It adds many marketable surfaces and is especially kind to brick and concrete buildings.

#### Mehigan's Decision

Michigan voters registered their disapproval of the state's recent murders. Probably they prefer that their legislators be given a free hand.

### Tracing World's Lost History

#### Through Million-Year-Old Skull

Some months ago part of a fossilized human skull was discovered near Peking.

#### Good Reason

Most of the guests had arrived, and the hostess was waiting in the hall for the late arrival.

#### One Astonishing Century

He could not be far, until he discovered that the man was a goodly, hearty, well-to-do fellow.

#### Don't Tent To Let

London Daily Express (Times) writes: "The tenting industry has been so successful in the last two years that it has now become a regular feature of the London social scene."
