not been perverted by long familiar a more lucid exposition at a later by the great annual festival. In the Latin countries of South Europe Christmas is quite a different matter, and is observed purely as a religious holiday. But it is not gloomy affair, by any means. All good Christians are filled with joy OFFICE—MAIN STREFT, and thanksgiving as the supreme e ent of that first Christmas in Beth lehem is recalled to them. Everyone stays up on Christmas eve to attend that in itself is quite a treat for th younger boys and girls. In the ture is the creche, or minature stable scene. This is a model of the manger with the little Christ lying in it, and the Virgin and Joseph | \* home of thepeasant the creche is also found, taking the centeral place of interest which we give to the Christmas tree and presents. Spain the place of the tree is also taken by nodels of the Holy Fam ily, not unlike the French creche but called "Navidades" or nativities

In these countries gifts are excanged other days than Christmas. To the French, New Year's day is the time for the great famly gatherings and exchange of gifts and good wishes. I Italy it is the Feast of the Epiphany, January 6, to which the children loc forward to with eager anticipation. Santa Claus is not in evidence. for l'itt'e old woman, she it se led too long in bringing her gifts to the little Christ, and so distributed them to all good children, giving dirty bits of charcoal to bad ones. The Dutch boys and girls believe in jolly old Santa, but he comes to them 8 a. m. Hely Communion on his own St. Nicholas Day, December 6, arriving on a ship from Spain,
