## The Days "AFTER"

SOMETHING of NEARLY EVERYTHING

Quick moving streams keep clear, so do quick mov-ing stocks. To help we hold this once-a-year "After Christmas Sale.' Remnants. short lots, odd ones and twos, broken assortments. discontinued lines, lonelys, rumpled items, garments, china, clothing, etc. In fact something 'from every department of this big place will be found on the tables. Savings run around half and better and each article is as good to you as though we had a store full. A section of the Second Floor will be roped off for this once-a-year event.

We are in the midst of stocktaking. With us it is a serious job, real work. We have a day to begin it and a day to complete it. It's easier to inventory cash than to inventory thousands of odd items from the many departments of the store.

We promise bargains that you will not soon forget The Question will be,—
"Where did you get it?

Selling begins Saturday morning. It will be all over Saturday evening of the following week at closing time, 9 o'clock.
