ashes, plaster of Paris and sawdu Sunday was a long nightmare to Mary Kate. She went through the usual routine of rushing to early Mass, returning to leisurely breakfast, wanting to break ier cup frantically, instead of pleibar it would be a supported by the results of the relative to the results of the relative to the a minute inspection of the volumino significant placing it gently in the morning paper, and a comfortable,

In the first place, there was the horror of fear lest her name be connected with the story of the Steynes' burg.

In the story of the Steynes' burg. lary. The evening papers had had mere outlines of the story. This morning's, to her infinite relief, had little more. A young housebreaker had been shot, in the Bersinger hacienda at Burlingame, by Christopher Steynes, of New York, who had rented it for Burlingame, by Christopher Steynes, of New York, who had rented it for two months. Mr. Steynes was not held; the thief, one Tony Moody, was in the City and County Hospital, not expected to live. He was supposed, one of a gang that had been ravaging the Peninsula homes during the past.

noon? He might be playing polo of

minory of a sunburned face under fair hair, of a long brown hand with brisk aristocratic fingers, was always before her eyes.

Sometimes she wanted to hurry Cass along. They ought to get home; someone might telephone. At other times she larged languidly beside him, hoping that every man whose figure came into view, up or down some quiet vista of Sunday streets, might be Chris. Oh, to meet him—

"Do you like it, dariing:"

"Do you like it, dariing:"

"Do you like it, dariing:"

"All can was the value of a sunburned face under fair hair, of a long brown hand with brisk aristocratic fingers, was always before her eyes.

Case. It's so lovely out."

Her heart was suffocating her. Not be ternally glad that they have long and consistently followed the practice of being kind to animals.

Three months ago a tiny kitten, thin and bedraggled, made its appearance at the Denton home and won its way into the hearts of the was fairly in them.

The huge bulk of the apartment houses behind the O'Hara home was windows now; little blocks and angles windows now; little blocks and angles windows now; little blocks and angles of gold rose fairy-castlewise in the young darkness. The air was sweether and languid and tired tonight; windows now; little blocks and angles of gold rose fairy-castlewise in the young darkness. The air was sweether and languid and tired tonight; windows now; little blocks and angles of gold rose fairy-castlewise in the young darkness. The air was sweethed. The chair, carried in his left hand, languid and tired tonight; windows now; little blocks and angles with the wind of the exists between cats and dogs, but this is so.

The months ago a tiny kitten, the most dangerous element of the act.

With both seves represented, the with both seves represented, the with both seves represented, the man's armament, we are told:

The chair, carried in his left hand, is intended to fend off a charging cat.

If he half, carried in his left hand, languid and tired tonight; windows now; little blocks and angles of pold rose "It's lovely."

"And can you see yourself in a kit-voices and snatches of laughter, and to the kitchen, followed by cries of is such a hollow, futile sort of thing,

She looked, unseeing, from a window in the empty kitchen that smelled of pipes. The street below—persons walking there—an angle of the Marina, and the boy. And beyond the bay, the green outlines of the Sausalito hills, and the benign heights of Mount Tamalpais.

Cass and Mary Kate followed the wooden path to the side fence, and hough the side fence, and hough the side street. The kitchen and breakfast hough the revolver, is a period with a blast of smoke and hough the side street. The kitchen and breakfast room were ablaze.

Denton rushed his wife and two children out of doors and telephoned the fire department. Then he sought the foresteps and shadow. Some were hurrying so the fire department. Then he sought the cat man confessed to his in. amalpais.
