And what is a Lone Scout? We all know what a Boy Scout is. We know that Boy Scouts belong to the Stone Boys' Organization in the world, that they are bound together as brothers in one fraternal, irrevocable class, tongue, race, nationality. We know that they meet together frequently in Troops under Scoutmasters, learn many useful things, have lots of fun and endeavor to help other people whenever possible. We know that in their Scout life they find the greatest pleasure and satisfaction.
