Salada Orange Pekoe has a most fascinating flavour

By KATHLEEN NORRIS

"The girl made no attempt to speak, want to marry Mary Kate," Martin began, with a reasoning air. "But—but you'd never seen each other this time a week ago."

"As for that," Chris answered, grimly, "it never crossed my mind—

"You couldn't blame Mary Kate for that," her mother defended her, in a slightly perplexed, a faintly hostile delicate flames of her not concerned. Her bright, serious eyes moved swiftly, her clean-cut chin was cupped in her two palms, her fingers resting lightly against her temples.

"You couldn't blame Mary Kate for that," her mother defended her, in a slightly perplexed, a faintly hostile delicate flames of her not blame mer." her, our sold falmes her?" he echoed. "Nobody with a quick indrawn breather than the proper tone. The girl made no attempt to speak. She was like a person who hears a slightly perplexed, a faintly hostile delicate flames of her not blame mer." Blame her?" he echoed. "Nobody with a quick indrawn breather than the proper tone." A girl of that," her mother defended her, in a slightly perplexed, a faintly hostile delicate flames of her not blame mer." Blame her?" he echoed. "Nobody blames her. But can you blame mer." "You're a 1ch man, Mr. Steynes." "You're a 1ch man, Mr. Steynes." "I'm rich, yes." "I'm rich, yes." "And your good father, your good somehow lone and friend control."

The Love of Books

[James R. Clemens in Saturday To Review of Literature]

Review of Literature)

[James R. Stupper and in 1 Corinthians. In the fourth Gospel, we are given a discourse of Jesus on that last evening, and the story of the foot-washing, but no account of the Supper, while the

not giving them his flesh or physical body to eat, for his physical body was

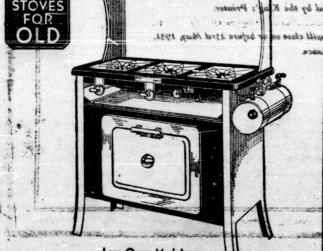

take the words mystically or parabolically. We must not attempt to explain them away, we must explain them intelligibly. The Hebrey may phets had taught their contemporarie, not only by their glowing words, but also be their symbolic actions. The for months Isaiah had gone about the fire in the dress of a captive, and Jeremiah had carried a yoke on his abouters as a symbol of the down that would overtake an unrepentable people. Similarly Jesus used the acted as well as the spoken parable. His seizing of the Temple was a case in point. "This is my bidy," unist

in point. "This is my body," must mean, "this represents my body." As Jesus was giving them the cup and the bread, so was he giving his very life for them.

The Church has rightly seen in the Lord's Supper a bond of Christian fellowship a communion with Christian a feeding upon him by faith, a foro-taste of the triumphal feast of re-

taste of the triumphal feast of redemption in the future kingdom. Many I storical details are uncertain, and we do wrong to think superstitionally of the rite but we can hardly put too much meaning into it, for we cannot exhaust the infinite love and infinite significance of Jesus.

Hon. Md. Kennedy is to be con-gratulated upon his campaign to have Ontario tomatoes take the place of California oranges as a breakfast cocktail. As anyone who his tried it knows, a drink of tomato Juice is one of the most refreshing in the world. That it contains valuable vitamins is merely incidental.—The
