

the progress which the Boy Scout
Movement has made during its twentythree years of existence, from the
time when Lord Robert Baden-Powell,
the Chief Scout, took a small group of
boys to camp in England and there
conceived the idea of an International Man of Future Will conceived the idea of an International

There are to-day over two million Scouts evering practically every country in the world, all of them under building of large cities will cease and

the programme by pointing out that: "Scouting education is a system of

giving rather than gotting." "Scouting provides a selection of activity fitted to the individual." "Scouting provides a unique plan of vocational exploration calculated to prevent square legs in round holes." "Scouting is a a unique scheme for associating boys with men of char-

"Scouting emphasizes the boy rather than the curriculum."
"Scouting tends to develop creative ability."

Scouting presents its code of ideals not as a lesson but as a thing to be done. It teaches helpfuiness through the daily Good Turn." Do you not think, therefore, that

Scouting is just what your boy needs? Lone Scouts throughout Ontario will be very sorry to hear of the very sad and sudden death of one of their brothers, Lone Scout Ivan Day of Fenelon Falls. Ivan was looking forward to taking part in a concert, which the Fenelon Falls Lonies had arranged, and was busy selling tickets for this, when on Monday, October 26, he suddenly collapse whilst riding a

The funeral took place on October 28th and was attended by Scoutmaser Don. Hutchison of the 2nd Troop, Lone Scout Commissioner John Furminger and Assistant Provincial Commissioner F. C. Irwin, who represented the Lonies of Ont rio and the Boy Scouts Association. Ivan's brother Lonies at Fenelon Falls acted as pallbearers. We would like to express our sympathy to his parents and family and also to his brotton Scouts in that We hear that the Lone Scouts at

Markham are to hold a special meeting on November 10th to institute the new Troop which they are forming there. We wish them "Good Luck and Good Scouting." On November 14th (Saturday) the

much looked-for Rally of the 1st Ontario Lone Scout Troop will take place at London, under the direction of Mr. Jack Lawton, the popular Scoutmaster. There will be heaps of fun. It is with very great regret that

the Lone Scout Department have to Further Rise Noted announce that Mr. Vic. Sheppard, of the 3rd Troop, had been forced to relin- Ottawa .- The upward trend in the quish the charge of that troop through pressure of business. Mr. Sheppard continued in September, according to pressure of business. Mr. Sheppard has done wonderful work with the Third, and his Lonies will miss him, but we know that they will "Smile and Whistle" and rally around the new Scoutmaster who we hope to in troduce to them very shortly.

The Lone Scouts at Fenion Falls are progressing rapidly, and are now looking for a Scoutmaster to form a regular Troop in that town. There is also

lar Troop in that town. There is also 889 pairs, or a total for the corresponiwonderful scope for a Wolf Cub Pack. ing period a year ago of 13,346,000 on the 28th October they held a concert at which the principal entertainer was Chief Diyakah, a full-blooded Indian, who entertained both in his Indian, who entertained both dian Dress and in the clothes of the with 86,915 pairs in August, and 288,-"Pale Face." The Scouts thoroughly 998 pairs in September, 1930. The total enjoyed themselves, as did the large value of the imports in September, audience which attended, and we are 1931, was \$208,638, to which total the glad to say that the evening was a imports from the United Kingdom congreat success, both mancially and tributed \$81,111, or 39 per cent., and otherwise.

Lonies, don't forget about your 57 per cent.

Xmas Good Turn, connected with the Lone Scout Toy Shops. You will find all particulars in "On Lone Scout ber, 1931, was 1,829 pairs. Trails," or you may obtain information from your Scoutmaster.
