Anniversary

15th anniversary of Knox Presbyterian Church, Jarvis, was celebrated on Sunday, Nov. 4th.

The Rev. J. A. Brown, D.D., of Ipswich, conducted the services both morning and evening.

The messages both times were inspiring. He took for his text in the morning "The only sufficient remedy for the ills of to-day." In the evening he took for his text "An afterthought is a poor thought."

The church was well filled in the morning and in the evening it was almost capacity. It was a successful anniversary from every point of view, spiritually and otherwise.

Very interesting to have been, the minister's wife, who before her marriage was Miss Bethune, Clifton, Ontario, on Monday.

The supper given by this church was a success, and the money raised was well maintained. This was the first time since the war that the church has been able to do this.

Booster Dance

The Hallowe'en Masquerade dance held by the Booster Club on Friday evening last was a huge success.

The attendance was less than usual owing to the number of entertainments being presented in other towns and to the wet weather. Approximately 125 were present in full hallowe'en regalia, and a real old-fashioned Hallowe'en party prevailed until long past midnight, when those in costume paraded for the final decision of the judges.

The judges found that it was very difficult to make a decision, due to the fact there were so many costumes deserving an award, however on the final summing up of their points, first prize for the ladies fancy dress was awarded Miss Dorothy Nichols of Caledonia, who was dressed as a Pirate. First prize for the men's fancy dress, George Reid, dressed as a Spaniard. First prize for the ladies' Comic Costume went to Ivy Williams of Port Dover, and first prize for the Gents' Comic went to Orville Dell of Jarvis, both being in the Hamilton Dairies Cup and the Reichold special for best plowed land with tractor.

The Mark C. Senn trophy was won by Ivan Long, R.R. 1, Jarvis, and won the special for the best R. N. in this class.

The cup offered by Dr. R. N. Perry for the first time this year was again won by Frank Woodruff in the Junior class and now becomes his permanent property.

The R. F. Miller shield awarded to boys under 21, goes to Wilfred Fess of Fisherville.

The class for tractor in sod, for boys under 21, was won by Lorne Porter, the prize being the Reichold special for best plowed land with tractor.
