

### "Inferiority Complex" Is Often Outcome of Irregular Teeth

Irregular teeth as both a result and a danger of civilization were described at the recent International Orthodontic Congress in London. The danger comes in, it was urged by Dr. J. H. Babcock, president of the Congress, because a set of badly irregular teeth is likely to create in a school child or a younger person a feeling of difference and inferiority, which the psychologists call an "inferiority complex." This is likely, in turn, to make these youngsters grow up in timid, self-conscious, morose or otherwise abnormal individuals. Irregular teeth are found in all races and all countries, Dr. Babcock continued, but apparently are commoner among more highly civilized people. Some kinds of irregular teeth, he stated, seem to be growing commoner, especially the

#### Lion's Reign Questioned by Noted American Scientists

Many and varied have the opinions been as to which animal is actually the supreme leader of beasts. Here we have some interesting arguments from an article by James Nevin Miller, who quotes several authorities. We quote for the first time, the authoritative judgments of three Government animal experts as follows: Dr. William M. Mann, director of the National Zoological Park, Washington; Dr. Remington Kellogg, assistant curator of mammals, National Museum, and Austin H. Clark, of the Smithsonian Institution of Washington.

### Hilltop and Aunt Ellen

I suppose there are some things we have in common in memory and which, in the nature of our childhood, we think can never change. So the little town of Hilltop was with me. And the strange part is that it is difficult to say why. My acquaintance with it was limited to about a month's summer vacation in childhood, during which my family occupied a cottage just west of Hilltop. I was a young boy, you came down a long green meadow from the white clapboard house, passed under a great elm, its green canopy crossed the bridge and walked up a little dirt road, and presto! you were in Hilltop's main street.
