

You wouldn't wash your walls every day... we did it regularly for 3 months

Walls painted with Lo-Glo stand washing. Scarfe experts proved it. Walls painted with Lo-Glo were washed daily for three months. Colors didn't fade—paint didn't wear off, peel or crack.

Every batch of Lo-Glo is subjected to the brushing test, to make sure it brushes evenly, dries hard and without brush marks.

SCARFE'S tested LO-GLO SATIN WALL FINISH. This beautiful, sanitary wall finish dries with a soft luster. Many pleasing colors for every room in the house.
