roadbuilding as it enables motorists easily with John Polycarp Jaris for the first time to drive their cars his search for adventure and first for the first time to drive their cars from Halifax to Vancouver and vice versa over an all-Canadian route.

It is true that to do this motorists must use the car ferries between the twin ports of Port Arthur and Fort William, Ontario, at the head of the Great Lakes, to Sault Ste. Marie, Ontario, pending the construction of the remaining links of "Canada's Main Street" between Schreiber and White River, a distance of 125 miles, now under contract and the ultimate link or twin links between White River and Sault Ste. Marie and Hearst.

There is also a short gap in British Columbia where cars are being carried by trains until the highway from Halifax to Vancouver and vice We drive a huge "Red Dragon" h
