CROSSING CRASHES In spite of repeated warnings there are still many autoists, who dary trains. Racing to the crossing has trains. Racing to the crossing nass not yet become an unknown sport. It should be remembered that engineers are never killed through a colembia. Cost the Saskatchewan and Dominion Governments some \$40.

O00 to pay for the stay of relief camp strikers in Saskatchewan. Most of the bills were incurred in Regina, where the riot resulted in one policeman being beaten to death.

The Federal Government's share A driver was swatting a bee that flew through his window; his car struck a pedestrian, and York Township police decided to lay a charge of reckless driving. The bee can scarcely be prosecuted as an accessory before the fact, but the occurrence offers warning to other motorists. If and when a bee creates a nuisance, bring your auto to a hault before taking action to get rid of him.
