sible! This could not have anything to do with the wireless set, Joan told herself as she slipped into the door She stopped. There in the kitchen was Piers Hannen, sitting on the floor with his back to her; his blue lounge suit showed up like a new pin in a hey of week pails in the dinor.

Arthor Of Book On Machine Age Tells Of Present-Day Problems lounge suit showed up like a new pin in a box of rusty nails in the dingy soot-stained kitchen. The wireless set had been turned with its face to the wall, and half its entrails were lying on the floor, where Hannen was expounding their functions to Jimmy, who was crouching beside him in rant attention.

Day Productis

Jimmy, who was crouching beside him in rapt attention.

Joan put her hand to her heartit had stopped beating. It halted a moment before it leapt on at a suffocating pace. She stood there, leaning against the door jamb, unable to utter a sound. Neither Hannen nor Jimmy was aware of her, and they went on talking; sounds of crockery being washed told Joan that her mother was in the scullery.

Kirkwood, author of "Women and the Machine Age," and assistant professor of English in University College. Other favorite forms of recreation she notes in a pamphlet recently published by the Social Service Council of Canada, are the "movies" or "talkines" or "talkines" or talkines, "the use of the motor car, and a growing interest in athletics and outdoor sports.

The paiaphlet is the seventh in the series on "The Machine Age," and

crockery being washed told Joan that her mother was in the scullery.

"That's the transformer," Hannen was saying. "I shouldn't advise you to meddle with that. What you really want, my lad, is a set that you lay want, my lad, is a set that you can mess about with. How about a short wave set?"

"You c'n hear all over the world wiv a short wave set, can't you?" ery) with the old seriousness and many mu have been led into the series on "The Machine Age," and se She was launched in the world! She short wave set?"

There was no car. That wireless set, idiotic and uscless thing as it was in their little house, had been nothing but a false alarm.

Joan went home in high spirts, thinking of her day as a manequin.

Although there are incidental colors and to them that were with me."

again I will say, Rejoice.

In the Lord does not mean that a man is to be insensible to sorrow and distress, to suffering or to sin, either in his own life or in the lives about him; but it does mean that these dark realities will not be allowed to master him, nor to blind him from the radiance which streams from the face of his living Lord.

One black morning you waken with a woolly brain and limbs that ache. Some mysterious force pulls your head back every time you try to raise it from the pillow.

Dizzily you go through your ablations, and at the breakfast table you are oblivious of the shining morning faces, the newspapers, the

gain I will say, Rejoice." To rejoic

"Let your forbearance be known unto all men." The word here translated forbearance means that disposition which is opposed to a spirit of contention and self-seeking. "The Lord is at hand." The lesson for all of us is not that the Lord is coming, which is true, but because the Lord is nigh, his presence is with us.

"In nothing be anxious." The word here translated anxious comes from a word meaning to divide, to separate, to pull apart. An anxious heart is one which is divided and torn in its division. "But in everything by prayer and supplication." The first word refers to the general offering up of the wishes and desires to God; the second implies special petition for the supply of warts. "With
