Must Be Satisfied

The ratepayers of the Village gar evidence of complete satisfaction with the Village Council and partial y so, the school board at the annua omination last Friday evening. I would appear that the only method adopt to create public interest is encourage the council to propos ome capital expenditure. It is s neasure o fsatisfaction to feel that he public have expressed the conf ence they have in the Council for nother term, but when they giv hat expression of confidence by no en attending nomination it is also sidence that they are not taking th terest in the Village that the ould. It is a duty that each and very ratepayer and tenant in th illage should not fail to fill. W ust remember that the Reeve ar irited men working in the inter ests of you and I and Nomination e opportunity we have in the year icize them for their efforts. e do not show any interest in them pect them to keep our interests at
