100 lbs. \$10.00	50 lbs. \$5.00
30 lbs. 3.00	15 lbs. 1.50

Do Not Delay Christmas Shopping

Although it is hard to believe Christmas is just a little less than two weeks away, we would not be surprised if over fifty percent had not even started to their annual Christmas shopping. As the years slip by it seems harder to enter into the festive spirit until the last minute, although it eventually finds expression in every heart. The question of gifts must be attended to sooner or later so why wait until the last minute. The local merchants have stocked their shelves with attractive merchandise in an effort to supply the public with articles that will as gifts carry a feeling of good will to friends. Before going out of town be sure to look over the merchandise of your local merchant and not find the diversified arrangement of stock that we find in the larger departmental establishments and commodities and services we want are not available from local merchants we will not shop elsewhere, as no thinking person will overlook the multiple energy of every dollar kept busy at home. For the soundness of economical reasons, especially during this period we will shop in Jarvis.

At Wesley United Church

The Women's Association of Wesley United Church held a very successful Bazaar in the Church School room on Wednesday last. The various booths were well patronized and a good number enjoyed the splendid supper provided for the occasion. The C.G.I.T. girls also conducted a booth and realized a neat sum for their organization.

On Sunday last "Missionary Sunday" was observed in the Jarvis and Garnet United Churches, when Rev. G. E. Bolt, of Tokio, Japan preached inspiring and instructive sermons on the work of the United Church Missions in Japan.

Hockey Notes

The Norfolk County League held its initial meeting in Simcoe on Monday evening with representatives from Simcoe, Jarvis, Port Rowan and Delhi. From the present outlook it would appear that the league this year will be comprised of the teams represented and with the probability of two or three more entering later. The schedule for the season is in the hands of the executive and will not be drawn up until the O.H.A. Schedule has been made known. The following officers were elected to guide the league for the coming year: President, Stan Cross; Vice President, Art O'Connor; 2nd Vice President, Don Tisdale; Secretary Treasurer, C. O. Blume.

Each team entered are eligible to have a representative on the executive.

Robt. Eald informed us this morning that the local arena will have ice surface ready for skating just as soon as weather permits. Tickets for season skating are now available from W. Willis or the rink management.

Team managers of the local church league are anxious to get the names of available players for their teams, as December 16th, is the dead line for players lists to be handed to the President.

The Church league this year will continue along the same lines as the Church Softball league this summer which created so much interest although from all appearances the stronger teams in softball will be the weaker from a hockey standpoint. However the ability of each remains to be seen.

We understand the rink management are building a gondola in the arena to accommodate the Jarvis Band who will provide music for the skaters a couple of nights each week.
