### CANADA

COURTESY AT THE BORDER Speaking before the Canadian Association of Tourist and Publicity Bureaus, in convention here, Mr. D. Leo Dolan was able to tell that during the past year one thousand letters and messages had been received from tourists in appreciation of hospitality and courtesy extended them in Canada.

Tally, Alberta is looking to mixed farming when we beat Ontario. and equal Ireland in pig production.—Lethbridge Herald. them in Canada.

This is a splendid thing. In co-Immigration and National Revenue, the Travel Bureau has been promoting the idea of courtesy to visitors, operation with the Departments of with particular attention to the attitude of immigration and customs work the .... Ottawa Journal.

## **Boiling Eggs**

Having talked about eggs and chikens and the great improve-ment in the size of both of them ithin the last fifty years we are reminded of the observation of a for-eign visitor to England who went me and wrote a book in which he said that there was a significant difference in the way in which a h egg was treated at Oxford and at Cambridge writes the Toronto Star.
The Oxford manner was to cut the top off the egg, while at Cambridge t was tapped and chipped with the part of the shell could be flaked off in fragments, exposing the upper part of the undamaged egg. It may e that some solemn English either Oxford or Cambridge had been spoofing this literary foreigner. Either way of opening a boiled egg serves the purpose, but perhaps the chipping of the egg is dainter. It ves breakfast, to a man just risen a bit of artistic effect.

There is, of course, another way of dealing with boiled eggs and in England it is called the Yankee way. You break, or the waiter does, two boiled eggs, underdone, into a tum bler, throw in some butter, pepper and salt, stir it vigorously with a spoon. It becomes a sort of egg soup. It tastes well and is said to be more beneficial to convalescents than eggs in the shell. This method releases a certain gas which the cook

Then, as regards boiled eggs, there is what Gulliver has to tell us about the Lilliputians. Among them there

## Bank of Montreal's Strong Position

At the annual meeting of the Bank of Montreal, held at the Head Office on December 2, a large and representative gathering of phareholders. large and representative gathering of shareholders expressed their unanimous approval of the statement and report of the directors for the fiscal year ending October 31.

the total assets amounted to \$792,-800,000, compared with \$759,100,after deducting Domi-

Profits, after nion and Provi nion and Provincial Government taxes, amounted to \$3,005,212 as compared with \$3,204,369 in 1934 -a decrease of \$119,000, over half of which is due to the increase in Dominion and Provincial taxes.
Sir Charles Gordon, president, in his address, said he was sorry interest on bank deposits was cu from three to two per cent. This, he said, was rendered necessary by the pressure of the Government and the Central Bank for lower rates on Government loans.

"These low rates," he explained, "have resulted in a drastic cutting down on the earnings of the chartered banks, which have been forced to reduce their rates to depositors. Based on the re-sults of the Bank of Montreal, it means that the depositors in all Canadian banks are receiving some
