Jarvis Young Man Well Placed Congratulations are extended to W. Arthur Holterman of this place, who, after completing a Combined Commercial and Stenographic Course at the Robinson Business College of Waterford, has just been placed by the Principal, O. U. Robinson, as accountant and stenographer with the Pickle Crow Gold Mines of Pickle Lake, Ontario, at a splendid salary. Arthur left on Monday for his new position and we wish him every success.

Mr. Robinson has now filled twenty-four positions with the big mining not exceeding fifty dollars.

He leaves to mourn his passing, his faithful wife, three children, his aged father and mother, a crippled brother who was shell-shocked in the war, one married sister and a brother and several sisters on his wife's side and several relatives. To these at this time we extend to them the sincere sympathy of their friends in the community.

The deceased was taken back to Hawkeville to their old home town for the funeral services and burial and it took only forty-three years on earth to end this noble life and the writer feels, in closing this tribute to the words of Paul very suitable: "I have fought a good fight, I have finished my course, I have kept the faith; henceforth there is laid up for me a crown of righteousness, which the Lord the righteous Judge shall give me at that day and not to me only, but unto all them also that love his appearing." — Timothy 4: 7-8.

MARTHA STILLWELL. Air circuses promise to be popular in Scotland during the summer.

Card of Thanks I wish to thank my many kind friends for their interest in me during my recent accident, your thoughtfulness and help is deeply appreciated. ROY PARKINSON, Garnet St. 14.

TRIBUTE TO Mr. Buchanan Mr. Peter Buchanan who died from the effects of a Goitre in St. Joseph's Hospital, Hamilton, on Tuesday morning, February 26th, came with his wife and family from Mount Elgin, to live in our little Village and also to become the teacher of No. 2 School, three quarters of a mile south of the Village, about six and a half years ago.

He happened to be a Baptist and so in a short time, was connected with the church and soon became initiated in the work as Superintendent of the Sunday School and teacher of the Bible Class. The writer being assistant Superintendent and also teacher of the grad'd girls class, the work soon became one of mutual interest between them. In speaking of Mr. Buchanan, we can say he was a man of sterling worth because as a Christian and man of God he stood for the noble and better things in life. His teaching profession was not only a money-making business or a means of making his way, but it was a service to Him which he could render to his Lord and Saviour and tried to help in every way he could by giving himself unstintingly into the work to make the best of the noble and better things in life.
