Remember that difficulties and obstacles always form for any community a valuable source of strength and health.—Albert Einstein.

The world no longer knows how to laugh.—Godefrid Parere.

He (during argument) — For "me" sake, let's talk nice. She (weakly) — Yes, come and do.

When you snap the picture you will get a fantastic and attractive effect as the water splashes high above the occupants.

Individuality can be shown in your snapshots by taking some of them at odd angles.

Water offers exceptionally fine opportunities for picture taking at odd angles.

Remember that difficulties and obstacles always form for any community a valuable source of strength and health.—Albert Einstein.
